

ACQUIRED BRAIN INJURY PROGRAM COORDINATOR

Sunrise Health Region, with its centre in Yorkton, Saskatchewan, has an opening for a Temporary Full-time (Immediate to One Year from Start Date) Acquired Brain Injury Program Coordinator with Sunrise Therapy Department and ABI Program.

Job Summary:

The Coordinator, Acquired Brain Injury Program, reports to the Stroke Services Manager, and is responsible for delivery, coordination and implementation of community resources and services on behalf of the client with a brain injury within the Sunrise Health Region. This will include case management services and education to individuals with an acquired brain injury, family members, caregivers and other service providers throughout the Sunrise Health Region. The Coordinator will provide care as outlined in the proposal document entitled "Putting Our Heads Together in East Central Saskatchewan". The Coordinator will assist with and contribute to program development.

Qualifications:

- Degree or Diploma in a Health Services discipline, which includes Social Work, Registered Psychiatric Nurse, Physical Therapist; or Masters of Speech-Language Pathology.
- Licensed by the applicable regulatory body or professional association or ability to obtain licensure.

Hours of Work:

- Days

Salary and benefits in accordance with the SAHO/Health Sciences Association of Saskatchewan Collective Agreement governing the position and corresponding to education and previous experience.

Preference for this position will be given to HSAS members in accordance with the terms & conditions of the SAHO/HSAS Collective Agreement.

Our thanks is extended to all applicants; however, only those selected for an interview will be contacted.

Please submit your resume by **5:00 p.m. on October 11, 2011** to:
