

## CAREERS AT SHELL

### Engineering Opportunities, New Grad (less than 3 years experience) Calgary, Edmonton & Fort McMurray, Alberta

We are currently seeking **recent and 2011 Engineering Graduates** for full-time employment at our Calgary, Edmonton & Fort McMurray locations.

At Shell, we are celebrating being named one of Canada's top 45 diversity employers and, for nine consecutive years, recognition as one of the country's 100 most-preferred employers. We are proud to employ a diverse mix of men and women of different nationalities and ethnic groups, orientations, backgrounds, abilities, and cultures. We value these differences and encourage the most talented individuals to apply for a career with Shell.

If you're currently studying for an undergraduate, Masters or PhD or if you have already graduated and have less than three years of work experience, you're a candidate for our graduate program. Shell Canada hires talented individuals from across the country. Relocation assistance is provided for successful candidates who require it.
