

Heifer International Canada, an organization with more than 60 years of community development success, seeks a half-time Field Coordinator to implement projects and explore new possibilities that promote and strengthen local and provincial food systems in Manitoba.

**Half-time Manitoba Field Coordinator
9 Month Term Position – With possibility of extension.**

As a key member of the Heifer Canada team you bring a positive attitude and a high level of energy and enthusiasm for a job that makes a difference.

You work with purpose.

Working with the other Manitoba Field Coordinator and Heifer Canada's Programmatic Team, you will work to build and strengthen relationships with Manitoba project partners. Your Bachelor's degree plus a minimum of two years' experience in and knowledge of rural and urban agriculture, community development and working with limited-resource communities is key to working with project partners to strengthen and restore local food systems.

You will enjoy the challenge of continuing to build Heifer's presence in Manitoba.

You will play a key role together with the other half-time Manitoba Field Coordinator in implementing projects and exploring new project possibilities in rural and urban areas throughout Manitoba. A significant part of your time will be spent ensuring that current and prospective project partners are supported in the areas of participatory community development, organizational capacity building and leadership skills.

You want your job to make a difference in the community.

As a Heifer Canada employee you will be working in a community development organization that works to make a difference in our society. You are driven by the opportunity to work in an ever-changing environment with colleagues who are also passionate about what they do and why they do it.

If you are looking for a challenging position in a dynamic organization that offers a competitive salary please send or email your cover letter, resume and three references no later than Sunday, August 28, 2011:
