

**Sunrise Health Region**  
**Helping *YOU* achieve *YOUR***  
**goals!**

**Choose Sunrise Health Region for a better lifestyle!**

- Education grants and opportunities
- Friendly, relaxed rural setting
- An environment that supports career advancement
- Participation in innovative and cutting-edge projects
- Affordable housing and recreation for you and your family

If you are looking for a change of location, or a change of pace,  
consider the opportunities.

Sunrise Health Region, with its centre in Yorkton, Saskatchewan, is  
accepting applications for **Medical Laboratory Technologist I**.  
Work is available for a Temporary Full-time guarantee for up to two  
years at the Yorkton Regional Health Centre.

Yorkton has a population of 17,000 people and is located one hour from  
the Manitoba border, two hours from Regina, three and one-half hours  
from Saskatoon and four and one-half hours from Winnipeg. Enjoy  
very reasonable living expenses, fresh air, open spaces and easy access  
to recreation facilities.
