

PRIMARY HEALTH CARE REGIONAL LACTATION CONSULTANT

Sunrise Health Region has an opening for a Temporary Part-time (Immediate to January 14, 2012) Regional Lactation Consultant in Community Services - with Primary Health Care in Yorkton Saskatchewan.

Job Summary:

The Lactation Consultant integrates skills and knowledge in the clinical management of breastfeeding using principles of adult learning, research findings and the principles of the Baby Friendly Initiative to provide client care, education and support for mothers and their newborns in Acute Care and the community of Yorkton as appropriate.

This position will also work collaboratively throughout the region with other lactation consultants and healthcare professionals, and act as a resource to nursing staff in Acute Care, community health, and other outside agencies. In consultation with the Director of Primary Health Care, this individual will facilitate the implementation of the Baby Friendly Initiative within Acute Care and carry out associated educational activities throughout the region as time permits.

Qualifications/Experience:

- Bachelors Degree in Health Sciences such as Nutrition, Dietetics, Pharmacy or Nursing
- Current registration with professional organization
- Current International Board Certified Lactation Consultant (IBCLC) certification
- Minimum of one year experience in maternal-child/community education

Hours of Work:

- 7 shifts of 8 hours in a 3 week rotation
- Days/Field hours

Preference for this position will be given to HSAS members in accordance with the terms & conditions of the SAHO/HSAS Collective Agreement.

Salary and benefits in accordance with the SAHO/Health Sciences Association of Saskatchewan Collective Agreement governing the position and corresponding to education and previous experience.

Our thanks is extended to all applicants; however, only those selected for an interview will be contacted.

This Position will remain Open Until Filled
