

## Public Health Nurse

**Competition #: 11-NRS-71, Closing date: 2011-08-22**

Permanent, Part-time, 0.60 EFT, Days - 7.25 Hours - occasional evenings and weekends may be required

Start date: Immediately

Pilot Mound Public Health Program, [Pilot Mound](#)

### Job Description/Responsibilities

The role of the Public Health Nurse is to promote, protect, and preserve the health of populations. Services may be directed to individuals, families, groups or communities across the life span in a continuous rather than episodic process. Public Health Nurses apply appropriate strategies to prevent injuries, chronic, and communicable diseases; address environmental issues; support reproductive/sexual health and promote the health of postpartum women, infants, and families.

### Qualifications

- Current registration with the College of Registered Nurses of Manitoba
- Baccalaureate degree in nursing
- Basic Life Support (BLS) certification
- Minimum two (2) years recent experience in public health nursing
- Possess a valid Class 5 driver's license and access to own vehicle
- Demonstrates the RHA Central Core Competencies and/or Management and Leadership Competencies
- Good work and attendance record
