The world needs energy. Energy needs nuclear. Nuclear needs Cameco.

## We need U

---

### SENIOR GEOSCIENTIST

Saskatoon

#### We offer:

- competitive pay
- superior benefits
- employee share ownership plan for all employees
- Live Better wellness program

*Cameco values diversity. In keeping with this principle and our employment equity goals, we particularly encourage qualified applicants from the designated equity groups to apply.*

*To explore this career opportunity, please visit [www.cameco.com/careers](http://www.cameco.com/careers). Deadline for applications is **September 30, 2011**. Please quote competition number **C11-200**.*

#### POSITION AND RESPONSIBILITIES

You will serve as a technical specialist and consultant to the exploration department as a leading uranium geochemistry expert and provide support to Cameco's Canadian and international exploration project portfolio. You will review project-specific geochemical data, conduct data analysis and independent research and provide a high level of interpretation and recommendations which will be communicated through reports and oral presentations. You will provide guidance and influence the exploration group in terms of appropriateness of the overall exploration strategy. You will adapt and integrate with other disciplines and various geological environments on a world-wide basis.

#### EDUCATION AND QUALIFICATIONS

##### Requirements of the position:

- Master's degree in geological science
- Minimum of 6 years of relevant work experience
- Equivalent combination of education and work experience considered
- Eligibility for registration with the Association of Professional Engineers and Geoscientists of Saskatchewan (APEGS)
- Possess an effective understanding of how geochemistry can fit into a multi-component and integrated exploration strategy
- Excellent oral and written communication skills
- Exceptional organizational and analytical skills
- Team-focused
- Ability to exhibit innovation and creativity when dealing with a variety of challenges

Applicants may be considered at an appropriate level, if fully qualified applicants do not apply.

*Safety is a top priority at Cameco. Successful candidates for all safety sensitive positions must pass a substance test as a condition of employment.*
