BRANDON UNIVERSITY COAT OF ARMS

In 1948 a committee was appointed to design and approve a Coat of Arms for Brandon College. The official statement of the Arms is:

Argent, on a chevron of azure an antique lamp or, between in chief two open books, and in base a garb, all proper. Crest --- A Phoenix sable, armed gules, issuant from flames of fire proper.

Taken from Ephesians IV:15, the motto "**Aletheuontes de en Agape**" means "**Speaking the truth in love**".

In 1971 the University Registrar composed the following description of the Coat of Arms: "The Coat of Arms represents the three-fold nature of man: spiritual, mental and physical, crowned with the blessing of everlasting life. The wheat sheaf represents the material blessings, which God has given us in body and estate. The two open books represent the learning and arts of mankind. The Phoenix is a mythical bird fabled to be the only one of its kind which lived for five or six hundred years in the Arabian desert, after which it burned itself to ashes in a funeral pyre and emerged from the ashes with renewed life to live through another cycle of years. The Phoenix therefore represents immortality."

HOW TO USE THIS CALENDAR

1. Look in the **Table of Contents** at the beginning of the Calendar for the page numbers of the main sections referenced below. Look in the **Index** at the back of the Calendar for specific topics.
2. If you are applying to come to Brandon University for the first time, see the **Admission Requirements** section (section 5.1).
3. You **must** become familiar with all the regulations for the degree that you plan to take. The University makes it your **responsibility** to ensure that you take the right courses to graduate. In most cases, no one will check your program for you unless you ask them to. You should read **all** of the regulation sections of the Calendar, ideally right away, but definitely before you begin your second year.
4. The Calendar contains a description of all of the graduate level courses that are ever offered by each department. Not all of these courses are offered every year. A separate document, the **Registration Guide**, lists the courses that are offered during the current year's Regular Session, along with the times that they are offered. Instructions as to how to register for courses can be found at the beginning of the Registration Guide. Regulations concerning Registration and related topics can be found in the **Registration** section (section 5.2) of the Calendar.
5. You can get help with course selection, interpretation of regulations, and any other aspect of your program by contacting **Student Services** at 727-9769.
6. Use the **Calendar** to review the course offerings in areas that are of interest to you. Then use the **Registration Guide** to see if the courses are offered and whether they will work into your schedule.

1.1 STATISTICS CANADA - PRIVACY STATEMENT

1.1.1 NOTIFICATION OF DISCLOSURE OF PERSONAL INFORMATION TO STATISTICS CANADA

Statistics Canada is the national statistical agency. As such, Statistics Canada carries out hundreds of surveys each year on a wide range of matters, including education.

It is essential to be able to follow students across time and institutions to understand, for example, the factors affecting enrollment demand at post-secondary institutions. The increased emphasis on accountability for public investment means that it is also important to understand 'outcomes'. In order to carry out such studies, Statistics Canada asks all colleges and universities to provide data on students and graduates. Institutions collect and provide to Statistics Canada student identification information (student's name, student ID number, Social Insurance Number), student contact information (address and telephone number), student demographic characteristics, enrollment information, previous education, and labour force activity.

The *Federal Statistics Act* provides the legal authority for Statistics Canada to obtain access to personal information held by educational institutions. This information may be used only for statistical purposes, and the confidentiality provisions of the *Statistics Act* prevent the information from being released in any way that would identify the student.

Students who do not wish to have their information used are able to ask Statistics Canada to remove their identification and contact information from the national database. The email address for this request is esis-siae.participation@statcan.ca.

Further information can be obtained from Statistics Canada's website: <http://www.statcan.ca> or by writing to the Post-secondary Section, Centre for Education Statistics, 17th Floor, R.H. Coats Building, Tunney's Pasture, Ottawa, K1A 0T6.

SECTION 2 GENERAL INFORMATION

2.1 HISTORICAL SKETCH

The University is a co-educational, non-denominational, government-supported institution within the Province of Manitoba. It is a member of the Association of Universities and Colleges of Canada (AUCC) and the Association of Commonwealth Universities (ACU).

2.1.1 THE FOUNDATIONS

The Baptist Home Mission first sent missionaries to southwestern Manitoba in 1869 and settlers began to pour into the area after 1871. Both settlers and missionaries soon saw a need for a denominational college for Manitoba youth and several attempts to found a college were made.

In 1880 Dr. John Crawford and Rev. G. B. Davis opened Prairie College in Rapid City, 20 miles north of Brandon. The College failed and Rev. Davis founded a small academy in Rapid City which was subsequently taken over by his brother-in-law, Prof. S. J. McKee. McKee's Academy was moved to Brandon in 1890 following the projection of the CPR mainline through the Assiniboine Valley, which resulted in the marked growth of the city of Brandon.

2.1.2 BRANDON COLLEGE

As early as 1885 the Baptist Convention of Manitoba and the Northwest Territories responded to this need. In 1898 a Toronto industrialist, Mr. William Davies, and his sister-in-law, Mrs. Emily Davies, pledged \$25,000 to be used to establish a Baptist College in Brandon.

Plans moved ahead rapidly. The Convention appointed Dr. A. P. McDiarmid as principal of Brandon College in 1899. Prof. McKee's Academy was merged into the new institution and the quarters of the Academy in the Stewart Block on Rosser Avenue at Ninth Street continued to be used. On July 13, 1900, Mrs. Davies laid the cornerstone of the first new building located at the corner of Eighteenth Street and Lorne Avenue, part of the present campus. The Original Building, as it is now called, is joined to Clark Hall, built for women in 1906 and named after Dr. W. S. Clark, the principal donor. These now serve as the Arts and administration buildings of Brandon University.

Brandon College was a liberal arts college offering some work in theology, a high school department, and a commercial department. A school of music was added in 1906. During the college's affiliation with McMaster University, 1911-1938, the School of Music graduate diplomas in voice and piano attained national reputation. Following affiliation with the University of Manitoba in 1938, music courses as credit to B.A. and B.Sc. degrees were added. Brandon College offered the first B. Mus. program in Manitoba in 1963. The School of Music includes one of the few conservatory departments in Canada and offers private tutoring of high quality.

More than 200 Brandon College students served in the First World War including two winners of the Victoria Cross. The college sent a platoon with the Western Universities Battalion to France in 1916 and class enrollments dwindled as students joined the services during that year until not a single male was enrolled in the freshman class.

In 1922 the Science Building was opened, but an economic slump kept the building from being completed according to original specifications. The Bachelor of Science degree was added in 1939.

Commercial courses were discontinued in 1922, and the theology department was replaced by the inclusion of religious studies in the arts curriculum in 1928. In 1932, the Grade 9, 10 and 11 work of the academy, which had formed part of the college, was discontinued.

Grade 12 Department of Education courses were introduced and continued until 1955.

In 1938 the Baptist Union of Western Canada found that it was no longer able to support Brandon College. An exceptional display of interest, hard work and generosity on the part of citizens of western Manitoba kept the college open. Brandon College became a non-denominational corporation in that year, ending its affiliation with McMaster University and joining the University of Manitoba as an affiliated college. Four sources of revenue allowed the work of the college to be continued: public subscription; an endowment (which became a foundation in 1945) by Dr. A. E. McKenzie, owner of a Brandon seed firm; a tax levy from the city of Brandon and an annual grant from the provincial government. Support from each of these has continued, but changed in proportion over the years.

The C.O.T.C. program which had been dropped after the First World War was revived to meet the challenge of World War II and 234 Brandon College students served in Canada's armed forces during 1939-45. Enrollment was cut sharply but new bursaries and scholarships were introduced, and many students worked their way through Brandon College during this period. At this point, there were 14 faculty members and about 100 students.

During the late 1940's, the social sciences were introduced at Brandon College. Training for high school teachers was added in 1952 and expanded to include training for elementary teachers in 1955. The Bachelor of Teaching program was added in 1969 and the first graduates of the program received their degrees in 1971.

In the late 1950's, a national program of university and college expansion gave rise to a sharply increased growth at Brandon College in numbers of both students and faculty and the building of new facilities. The Arts and Library Building, later named the A. E. McKenzie Building, in honour of a chief benefactor of the college, and the J. R. C. Evans Lecture Theatre, named in honour of former Brandon College president Dr. J. R. C. Evans, were officially opened in 1961.

The student is required to complete the medical application form, available at Financial & Registration Services, which will be forwarded to the insurer. The fee for registration changes in excess of the 2 free change forms which are simultaneously reported on the same registration change form is \$18.00. This fee will not be levied for course drops only. The Instructor and the Dean of the faculty must authorize course changes requested after the last date announced in the academic calendar.

4.3.2 REFUND SCHEDULE

Students who withdraw from courses must complete a registration change form, obtain signatures if required, and present it to Financial & Registration Services before any refund of fees will be granted. The refundable portion of fees will be calculated only from the date Financial & Registration Services is notified.

Please contact Financial & Registration Services for more detailed information.

Students who are debarred from examination in a course or who are required to withdraw for disciplinary reasons forfeit their claim to any refund.

4.3.3 INCOME TAX RECIEPTS

4.3.5 VOLUNTARY WITHDRAWAL

When students withdraw from a course, it is their responsibility to notify Financial & Registration Services in writing as well as the Instructor, as soon as they decide to withdraw. Any refundable por-

tion of fees will be calculated only from the date on which Financial & Registration Services has been notified. Deadline dates for withdrawal, without academic penalty, from full and half courses represent 60% of the total contact hours in the course. For the last dates for voluntary withdrawal without academic penalty, see the Academic Calendar.

Students who wish to withdraw from University completely (from all registered courses) are required to complete a drop form and see Financial & Registration Services.

4.3.6 PARKING FEES

The following fees (including GST) apply to a 8-month period from September through April; Serviced \$214.00; Unserviced \$112.35. These fees are based on the 2005-06 academic year and are subject to change. The rate quoted for serviced parking is an average and will vary depending on the specific options selected.

All resident students with automobiles should make application for assigned parking well in advance, as space is limited. Regular, part-time and evening students with automobiles must abide by the regulations posted from time to time, and must pay any fine levied for the violation of traffic rules. A copy of Brandon University Parking Regulations can be obtained from the Parking Office.

4.3.7 RESIDENCE FEES

Each application for accommodation in the University Residence Complex must be accompanied by a \$40.00 application fee. This fee covers the cost of processing the application and is not applied to room and board costs. **The application fee is not refundable.**

When an application has been accepted, the student is notified. Room assignment takes place from June to late August and the student is sent written notice of the assignment. It is then the responsibility of the applicant to accept or reject the assigned accommodation by contacting the Residence Hall Programs Office as soon as possible. It is essential, upon receipt of a room assignment, that students respond immediately to confirm acceptance.

- 1. Payment:** A room deposit of \$200.00 MUST accompany the acceptance of a room assignment. **Only proof of non-admittance by the Admissions Officer will be grounds for claiming a refund of the Room Deposit.** The room deposit reduces the annual charges. The first term residence fees must be paid at the time the student checks into residence. The second term fees must be paid on or prior to first day of classes in January.
- 2. Cancellation:** Students who cancel a room assignment previously accepted are advised that Room Deposits will be forfeited. Students who are obliged to cancel their room assignment because their admission to Brandon University or Assiniboine Community College has been denied, will be refunded their Room Deposit in full. Refunds will be provided upon receipt of a written request that must be received by the Programs Office within five days of the commencement of the fall or winter term.
- 3. Waiting List:** Students who have not been assigned to the residence by August 31 but still desire a place in residence, are advised to put their name on the waiting list. In such cases, the Programs Office requires an up-to-date contact address or telephone number to notify the student when space is available. Please advise the office if you do not wish to remain on the waiting list.
- 4. Withdrawal From Residence:** It is not expected that students, having initially chosen to live in residence and signed a Residence Agreement, will withdraw from residence before the end of the contract period. Prospective residents should carefully read their Residence Agreement prior to paying the required Room Deposit.
- 5. Miscellaneous Information:** Accommodation in the residence is available only to students desiring **room and board**. Residence Hall programs offer a meal program based on a declining balance debit card system. Room and meal program rates and schedule of payment dates will be available after March 31. This schedule can be obtained by writing to the Residence Hall Programs Office.

The Dining Room will be closed on or around December 15 for the Christmas holidays. Students must vacate their accommodation within twenty-four hours after writing their Christmas examinations.

Students must vacate their accommodation within twenty-four hours after writing their final winter examinations and in any event not later than April 30.

The University reserves the right to change any fees if, in its opinion, such change is necessary.

The School of Music is committed to high levels of artistic and scholarly achievement and to preparing its students for leadership roles. 5.1.7 GRADUATE ADMISSION, SPECIAL

Graduate Special Status may be assigned, upon the recommendation of a Faculty graduate department, to students who may not satisfy all requirements for Regular status admission. Graduate Special status may be assigned when:

1. students wish to enroll in Master's-level courses without seeking admission to a graduate program;
2. a Faculty Graduate Committee/Department has stipulated that certain review courses must be completed before Regular status may be granted; in the case of Music students, special students and students admitted conditionally who are required to complete any specified undergraduate course(s) must earn a grade of no lower than "B-" in that course(s) before being considered for regular graduate status.
3. an applicant's credentials are from institutions whose curricula cannot be immediately assessed;
4. not all supporting documents required for Regular status admission (e.g. official documentation of an acceptable TOEFL score) are provided.

Normally students may accumulate no more than 12 credit hours of Master's-level courses under Graduate Special status. Credits accumulated under Graduate Special status are designated for NON-DEGREE CREDIT only, with a NIL degree program. Students subsequently granted Regular status may petition to have courses completed under Graduate Special status applied to their Graduate program of studies.

Note: Music students are strongly advised to consult the School of Music or the Brandon University website for curriculum changes.

5.1.8 GRADUATE ADMISSION, VISITOR

Visitor Status enables students to enroll in courses at Brandon University for credit at other institutions. Applicants for Visitor status must present a Letter of Permission from their home institution guaranteeing transfer of credit. The Letter of Permission must accompany the admission application. Visitor admission cannot be granted until receipt of this letter.

Department decisions regarding student status may be appealed to the Senate Graduate Studies Committee.

5.2 REGISTRATION

5.2.1 REGISTRATION PROCEDURES

Registration includes selection of courses for a particular academic session and submission of registration forms to Financial & Registration Services. Eligibility for registration is determined either by previous academic performance for Returning students or acceptance through the admissions process to the University for New students.

Registration is not complete until fees have been paid at Financial & Registration Services.

1. **Form Completion:** In completing the registration/fee statement form, it is imperative that the department, course number, section number and term be correctly stated. Failure to do so will automatically result in omission of the student's name from appropriate class and examination registers.
2. **Approval of Course Program:** Each student's registration must be approved by the Chair of the appropriate Faculty, School, Graduate Studies Committee/Department or their designates. No changes in course programs may be made without the consent of the Chair concerned.
3. **Enrolment Limits:** Graduate courses are limited to a maximum enrolment of 20. Exceptions to this rule may be made according to the discretion of the course Instructor.
4. **Course Registration:** Graduate students are advised to register at least one month prior to the beginning of classes.
5. **Registration Limit:** Students will be permitted to register to maximum of 3 credit hours per term in Spring/Summer session. Exceptions require approval of the Chair of Graduate Studies and the Dean of the appropriate faculty.
6. **Course Withdrawal:** When students withdraw from a course, it is their responsibility to notify Financial & Registration Services in writing on the prescribed form. Any refundable portion of fees will be calculated only from the date on which Financial & Registration Services has been notified (see section 4.3.2). Deadline dates for withdrawal, without academic penalty, from full and half courses represent 60% of the total contact hours in the course. If a student should withdraw from a course up to and including the last date for registration in that course, the course will not be noted on the transcript. All withdrawals subsequent to the last date of registration, and up to and including the last date of withdrawal without academic penalty, will remain on the transcript with the notation of VW (voluntary withdrawal). The grade of F (failure) will be noted on the transcript against a course for which the student withdraws if the withdrawal is subsequent to the last date of withdrawal without academic penalty and not approved as a WP or WF. Students who are permitted to withdraw from a course or courses after the last date for voluntary withdrawal will, at the discretion of Instructor and the Dean of the course concerned, be assigned the notation WP (Withdrew Passing) or WF (Withdrew Failing) for the course(s).
7. **Course Audit:** Students who wish to audit a course must have the written approval of the Instructor, and where necessary, the additional approval of the Department Chair and the Dean of the Faculty or School which teaches the course. Approval to register for a course as an Auditor is given on the understanding that the audited course is for personal interest only, is not assigned a grade, is not for degree credit, has no examination, test or course work assignment privileges, does not count for prerequisite standing in other courses and is assessed a fee equal to one half of the course fee. With the permission of the Instructor, a student may change from Credit to Audit or Audit to Credit provided the change is made before the date for withdrawing from courses without academic penalty. The appropriate fee adjustment will be made against the student's account in the Financial & Registration Services.

5.2.2 NON PAYMENT OF FEES

Students who do not pay their fees at the Financial & Registration Services by the required deadline (see section 4.2) will have their registrations cancelled. A fee will be assessed for reinstatement.

5.2.3 BRANDON UNIVERSITY IDENTIFICATION CARDS

Each student registering for an academic session will be issued a Brandon University Identification Card which must be presented when using Library facilities. A fee is assessed for each ID card. Cards are issued by the Housing Office in the McMaster Complex upon receipt of proof of registration (see section 4.2).

5.2.4 STUDENT NUMBERS

A number is assigned to a student when an application for admission to Brandon University is submitted. This number is included in the student Identification Card, a file in Financial & Registration Services and on all statements of examination results issued by Brandon University. Each student will be issued only one student number.

5.2.5 COURSE LOAD LIMIT

Students are limited in the regular session (September to April) to a maximum of 5 full courses (or equivalent), or 30 credit hours, with a maximum of 15 credit hours in each term. Additions to this course load must be approved in writing by Dean. This written authorization must be given to Financial & Registration Services before the course add can be counted as part of a student's registration. Students are advised that taking course overloads could imperil their academic performance.

Usually, a 3 credit hour course meets three hours per week in 1, 2, or 3 hour block periods for one term only for a minimum of 36 class contact hours, while a 6 credit hour course meets, in generally the same patterns, over two terms for a minimum total of 72 class contact hours.

5.2.6 FULL-TIME STUDENTS

Any Master's student registered in nine or more credit hours per academic year shall be considered a full-time student of Brandon University (i.e. September 1 - August 31).

5.2.7 COURSE NUMBER

Each course number is prefixed by the number of the program Department, School or Faculty under whose jurisdiction the course is offered.

Department/Faculty/Program	Dept. No.
Grad Diploma/Master of Education and Grad Diploma/Master of Rural Development courses are assigned	500-699
Master of Music course numbers are assigned	600-699

5.2.8 COURSE PREREQUISITES

A course prerequisite, as noted in the General Calendar description, is a requirement for certain courses, which must be completed before registration will be permitted. Students who register for courses without having met the stipulated course prerequisite(s) by the first day of classes, must, in all cases, have a written waiver for the prerequisite(s) from the course Instructor, Department, or as otherwise stated. Students will not receive credit in a course if the stipulated course prerequisite(s) has not been met or waived, as appropriate.

In the event that a student does not successfully complete the prerequisite for a course and is therefore unable to take the course for which the prerequisite was in place, it becomes the student's responsibility to withdraw from the course by submitting a registration change form to Financial & Registration Services to ensure that his/her registration is updated.

5.2.9 LETTER OF PERMISSION -- COURSES TAKEN ELSEWHERE

Brandon University students who wish to take a course or courses at another accredited post-secondary institution for transfer of credit to their program must obtain a Letter of Permission from Financial & Registration Services before they make application for the course. A fee is charged for a Letter of Permission

Requests for Letters of Permission must be received by Financial & Registration Services at least one month prior to the deadline dates established by the university to be visited. Letters of Permission may be granted to students who have Regular Student Status. Students who do not have Regular Students Status (i.e. Probationary, Mature) will have their requests approved by the appropriate Academic Dean before a Letter of Permission will be issued. Students must establish residency at Brandon University before a Letter of Permission will be granted and no Letter of Permission will be issued for a student who has not registered for any Brandon University credit hours. Residency is established usually through the successful completion of a minimum of 15 credit hours. Students who do not meet this requirement may be granted written approval to obtain a Letter of Permission through their Academic Dean.

As approval for the issuance of a Letter of Permission for courses is the prerogative of the academic faculty, students are advised to have their selection of courses reviewed by the appropriate faculty advisor to ensure that requested courses will fulfill major/minor or other degree requirements. Issuance of a Letter of Permission does not imply that degree residency requirements or major/minor requirements have been waived.

It is the student's responsibility to see that upon completion of the course, an official transcript is sent as soon as possible to Financial & Registration Services. Grades transferred in are used in the calculation of the grade point average (g.p.a.) for the degree sought.

5.2.10 TRANSFER OF CREDIT

Students who have taken a course or courses at another academic institution prior to their admittance to Brandon University must, upon application for admission, request an assessment of their work at the other academic institutions for possible transfer of credit to Brandon University.

Courses from other academic institutions accepted by Departments for transfer of credit to a student's program, with the exception of those courses taken through a Letter of Permission (see section 5.2.9), will not normally be subject to the stipulated course prerequisite(s).

Departments may reserve the right to refuse to grant transfer of credit for a number of reasons, which may include their assessment that the coursework being evaluated is outdated

Note: Students who wish to request a review or reassessment of transfer credit must do so within one year of the initial transfer of credit to Brandon University.

5.2.11 RESIDENCE REQUIREMENTS

See Residence requirements for each degree listed in individual degree regulations.

5.2.12 CANADIAN ARMED FORCES --- RESIDENCE REQUIREMENTS

It is recognized that Canadian Armed Forces personnel and their dependents often have their program of studies interrupted because of special circumstances. Accordingly, the announced residency regulations will be waived for Canadian Armed Forces personnel or their dependents provided that the students meet the following requirements:

1. have been admitted to Brandon University; and/either
2. attended Brandon University classes either on-campus or at an approved location in Canada or abroad; or,
3. have a Letter of Permission from Brandon University allowing them to pursue studies at an approved location in Canada or abroad; or,
4. all other requirements for the Brandon University degree sought have been met.

5.2.13 STUDENTS' TRANSCRIPTS

A student's transcript, or record, is based upon the information, personal and academic, supplied at admission and at registration, the successive changes to that information, if any, and grades obtained in the courses of the Program of Studies registered for from session to session. If students wish Official transcripts they must write, or report, to Financial & Registration Services with the required fee of \$10.00 and \$4.00 for each additional copy per request (fees subject to change). Transcripts will not be released if a student is in debt to the University.

Students' transcripts are considered confidential and will be issued only if the student completes the transcript request form, or writes a letter requesting the release of a transcript, asking for a copy to be sent either to himself/herself or to another university, an agency, or an official. The required fee must be submitted with the request.

5.3 COURSE WORK AND EXAMINATIONS

1. At the close of each term or session grades are assigned indicating the character of the student's work throughout the term. If term marks are given, they shall be based on reports, essays, etc., preferably of a critical or analytical nature, on aspects of the work covered in the course concerned. The instructor shall make clear to the class at the beginning of each course how the final grade in the class shall be assigned. The

maximum term mark for work in all courses is to be set by the Department concerned, with the Deans to be kept informed.

2. The grades given for term work are added to the grades obtained at the final examination (if such is required) in the course and this total shall determine the standing of the student.
3. Academic papers, presented by students in partial or entire fulfillment of any course requirement, shall remain the property of the writer and may be retained by the course instructor after their marking only with the written permission of the student. Academic papers, excluding final examination papers, presented by students in partial or entire fulfillment of any course offered at Brandon University remain the property of the writer and should be returned to the students after marking. Within 21 days of the receipt of the final grade, students may, upon request, see their marked final examination in the presence of the instructor.

5.3.1 ATTENDANCE AT LECTURES AND PRACTICAL WORK

1. All students are expected to be regular in their attendance at lectures and labs. While attendance *per se* will not be considered in assessing the final grade, it should be noted that in some courses participation in class activities may be required.
2. For limited enrolment courses, students who are registered but do not attend the first three classes or notify the instructor that they intend to attend, may have their registration cancelled in favour of someone else wishing to register for the course.
3. Students who are unable to attend a scheduled instruction period because of illness, disability, or domestic affliction should inform the instructor concerned as soon as possible.
4. Instructors may excuse absences for good and sufficient reasons.
5. Smoking is prohibited in all classrooms and laboratories and is not permitted in any exception.
6. Extra curricular events such as varsity athletic trips and practices or School of Music Tours must be scheduled such that students in these events shall be able to meet a minimum of their class commitments.

5.3.2 ACADEMIC DISHONESTY AND MISCONDUCT

Academic integrity is an essential part of University life. Academic dishonesty and misconduct will not be tolerated. Brandon University supports students, instructors and administrators in their efforts to preserve this institution as a community of scholars.

Actions which constitute academic dishonesty and/or misconduct are considered an offence within Brandon University and include:

1. **Plagiarism**, which includes, but is not limited to:
 - Work which is submitted or presented in partial fulfillment of course/degree requirements as one's own work that was completed, in whole or in part, by another individual
 - Portions of the work extracted from another source without proper and full credits to the original author (e.g. concepts, sentences, graphics, data, ideas presented through paraphrase)
 - The entirety of the work copied from another source
 - The submission of work in one course that has been or is simultaneously being submitted for credit in another course without the expressed written permission of all instructors involved (in such cases the entirety of the work may originate with the student; nevertheless, the academic offence of plagiarism has occurred)
2. **Cheating**, which includes, but is not limited to:
 - Using, giving, receiving, or the attempt to use, give or receive unauthorized information during an examination in oral, written or other form
 - Copying an essay, examination, report or like form of evaluation
 - Allowing another to copy an essay, examination, report or like form of evaluation
 - Impersonating another person in an examination or test and/or serving as a confederate in such activities
 - Buying or otherwise obtaining term papers or assignments for submission as one's own
 - Giving false reasons for absence (e.g. from an in-class test, final examination, required classroom activities)
3. **Falsifying Records**, which includes, but is not limited to:
 - Misrepresenting one's credentials

- Submitting false documents or falsifying academic records, transcripts or other University documents
- Falsifying documents from outside agencies required for the work of the University (e.g. medical notes, letters of reference)

4. **Research Misconduct**, which includes, but is not limited to:

- Fabrication or falsification of research data (or materials)
- Making a statement of fact or reference to a source which has been fabricated
- Failure to comply with University policies as they apply to research ethics, human subjects, animal subjects, intellectual property, or computer usage
- Failure to recognize through due acknowledgement the substantive contribution of others
- The use or appropriation of the unpublished work or data of other researchers without permission
- Use of archival material in violation of the rules of the archival source
- Removal of books or other library materials without authorization
- Destruction, mutilation or intentional misplacement of library material.

Penalties

Sanctions levied by the University and their severity are determined in relation to the degree of the offence committed or attempted, the intentionality of the participant(s), recidivism, and/or the degree to which an individual has been party to attempted or committed acts of academic dishonesty. A student who is determined to be responsible for academic dishonesty or misconduct (AD) may be subject to the imposition of one or more of the following:

- a) requirement to repeat the assignment or examination, with or without grade reduction
- b) assignment of a grade of zero in the assignment, test or exam
- c) assignment of "F-AD" in the course in which the offence is committed
- d) suspension from some or all courses in which a final grade has not been entered and the assignment of "F-AD" in all such courses
- e) suspension from all Brandon University teams, clubs or like organizations for a period of 1 to 5 years
- f) suspension from the faculty for a period of 1 to 5 years
- g) expulsion from the faculty
- h) suspension from the University for a period of 1 to 5 years
- i) expulsion from the University
- j) cancellation or revocation of degree

This list is exemplary and does not restrict the Dean, President or Senate (or a committee thereof) from imposing additional penalties as may be warranted by exceptional individual cases.

Transcript Notation

Where sanction c) or d) (above) is applied, a grade of "F-AD" (Academic Dishonesty) will be entered on the student's transcript. Upon successful completion of a degree program or five years after the sanction was applied, whichever occurs first, the grade of "F-AD" will be converted to "F".

Academic Withdrawal

Withdrawal from a course will not preclude proceedings related to alleged cases of academic dishonesty. The right to withdraw shall be withheld (or in exceptional circumstances revoked) when an academic offence is alleged. Where the allegation is not supported by a preponderance of the evidence, a student's right to withdraw will be re-instated and shall apply retroactively to the date the academic offence was alleged.

Note: The complete Policy on Academic Dishonesty and Misconduct, including the procedures to be followed when a violation of the policy is alleged, is available on the Brandon University website and in the Offices of the Deans and Registrar.

5.3.3 STUDENT GRIEVANCE PROCEDURES

A student having a valid, well considered academic type of grievance against a faculty or staff member must exercise the following procedure:

1. It is strongly recommended that the parties in question should work out the problem between themselves.
2. If the student is not satisfied, the student may seek advice and support from the BUSU Investigative Committee of Grievances (ICG) or other sources. A second attempt should then be made to solve the problem directly with the faculty/staff member in

question. The ICG member(s) should not at this point present the case or contribute in a large way to the discussion.

- 3. If further action is needed, either party may approach the Chair (or designate) of the department to which the faculty/staff member belongs. The Chair shall hear the student(s) and the faculty/staff member separately or jointly, (if necessary) before reaching a decision. A BUSU ICG member or other counsel may advise the student(s).
4. If the problem is to go farther, it is to the Dean of the Faculty/School. The student(s) may be advised and/or represented by BUSU ICG members or other counsel. The faculty/staff members may also seek support from colleagues or other sources.
5. The final step of appeal is the Senate Discipline Committee. Students should be represented by BUSU ICG or other counsel. Faculty/staff members should also seek counsel.

5.3.4 LETTER GRADE SYSTEM

The following Letter Grade System will be used until August 31, 2006.

Table with 5 columns: Verbal Description, Letter Grade, Grade Points, Full Course Weighted Grade, Half Course Weighted Grade. Rows include Distinction (A+, A, A-), Superior (B+, B, B-), Average (C+, C), Marginal (D), and Failure (F).

The following Letter Grade System will be used commencing with Regular Session Fall registrations 2006.

Table with 5 columns: Verbal Description, Letter Grade, Grade Points, Full Course Weighted Grade, Half Course Weighted Grade. Rows include Distinction (A+, A, A-), Superior (B+, B, B-), Average (C+, C, C-), Marginal (D), and Failure (F).

† The weighted grade points for the full and half courses are based on the 6 and 3 credit hour weighted courses. Differently weighted courses will have an appropriate weighted grade point. Grades of "P", "S", and "U" may be awarded in a limited range of courses. Such grades carry no weighted grade points and are not calculated into the degree or cumulative grade point average.

Grade Point Averages:

Grade points determine the student's general average and are a measure of the quality of work done, as units or credits are a measure of the amount of work done. Where percentage grades are used by professors, the equivalent letter and numerical grades will be made explicit to students in the course at the beginning of each term. The instructor shall make clear to the class at the beginning of each course how the final grade in the class shall be assigned.

A student's weighted grade points for a course are the product of the credit hours multiplied by the grade points obtained by the student. The grade point average (g.p.a.) is the accumulated total (aggregate) of weighted grade points obtained by the student divided by the accumulated credit hours taken to date by the student. A student's performance on each session's work will be recorded in terms of the g.p.a.

Students transferring grades from other universities to Brandon University will receive the equivalent of the grade attained at the former universities. Students who have received numerical grades will have their grades converted to approximate letter grade values.

5.3.5 EXAMINATIONS

- 1. Students must write final examinations (if such are required) in every course in which they are registered. Those students who absent themselves will be given a grade of "F-NP" for the examination, except in the case of students who produce evidence of having been prevented from writing examinations owing to illness, disability, or domestic affliction (see section 5.3.7).
2. The student may appeal any mark given in any achievement of coursework.
3. All F's (failures) or equivalent of failures ("DNW": Did not Write; or NP: No Paper), and repeated attempts, noted on the student's transcript will remain thereon. If a passed course is attempted a second time (repeated) in order to raise the grade, the grade and number of credit hours completed remain on the student's record and the lower grade will be designated as RPT beside the credit hours. Failures are not indicated by RPT.
4. For students whose name appears on the class list but who are unknown to the instructor shall be awarded the grade "RNP" (Registered, Not Present). Courses to which the RNP designation is applied shall not count toward the student's sessional or cumulative grade point average.
It is the student's responsibility to ensure that his/her registration is correct and that Financial & Registration Services is notified of all registration changes.
5. If, in the opinion of the Senate, a student's academic performance is unsatisfactory, the student may be debarred from final examination or examinations, in which case these examinations will be counted as failures.
6. Except for applied juries, as required by the School of Music, no final examinations shall be scheduled between the last day of classes and the first day of the examination period.
7. No tests or examinations set in class shall be scheduled by an instructor so as to require students to miss other courses in which they are enrolled.
8. Final examinations will be written at the time and location fixed for individual examinations as published in the Final Examination schedule.

5.3.6 INCOMPLETE TERM WORK

An Incomplete is given at the discretion of the instructor only when term work has not been completed. A student shall be given a maximum fixed period of time up to 3 months in order to clear the Incomplete. The period shall be from the last date of examinations for the term concerned or, in the case of irregularly scheduled courses, up to 3 months after the cessation of classes.

An Incomplete may be requested by a student on the basis of incomplete term work to the course instructor who will decide if the reasons for the student's request are good and sufficient. If the instructor denies the student's request, the student may appeal to the Dean of the Faculty or School which teaches the course. If the student's request is again denied, the student has the right to appeal to the Graduate Studies Committee of Senate, whose decision shall be final.

When an Incomplete is granted, the Instructor will inform the student and Financial & Registration Services as to the method by which a final grade will be assessed if the Incomplete is not cleared within the agreed period of time. One month prior to the end of the agreed period, Financial & Registration Services, where possible, will remind both the instructor and the student concerned that the Incomplete must be cleared by the specified date. It is the responsibility of the Instructor to inform Financial & Registration Services as soon as possible after the completion of the term work as to the grade that should appear on the transcript. A new statements of marks will not be issued if and when the grade is received. If students wish a copy of their updated transcript, they must request it and pay the required fee.

If, for domestic affliction or medical reasons, a student feels that the date originally set for the clearing of an Incomplete should be altered, the Dean of the Faculty or School which teaches the course may, in consultation with the Instructor, grant a further extension of up to three months. Any further extension of the Incomplete must be considered by the Graduate Studies Committee of Senate upon application by the student and with the recommendation of the Instructor. The decision for, and length of, any further extension shall be made by the Committee and shall be final.

Graduate Music students registered for 65.613-619 courses, may be granted an incomplete in these courses for periods not exceed-

ing twelve months. Extensions may be granted only in exceptional circumstances and require Graduate Studies Committee approval.

5.3.7 DEFERRED EXAMINATIONS

A Deferred Examination is given only when a student is unable to sit for a final examination because of illness, disability, or domestic affliction. A student shall be given a maximum fixed period of time of up to 3 months in order to clear the Deferred Examination. The period shall be from the last date of Examinations for the term concerned or, in the case of irregularly scheduled courses, up to 3 months after the cessation of classes. A request for a Deferred Examination must be made by a student to the Instructor within 7 days of the end of the examination period. The application must be accompanied or followed shortly by a medical certificate (or an otherwise appropriate document), stating the nature of the illness, disability, or affliction, and the period of its occurrence. If the Instructor denies the student's request, the student may appeal to the Dean of the Faculty or School, which teaches the course. If the student's request is again denied, the student has the right to appeal to the Graduate Studies Committee of Senate, whose decision shall be final.

When a Deferred Examination is granted, the Instructor will inform the student and Financial & Registration Services as to the method by which a final grade will be assessed if the deferral is not completed within the agreed period of time. Financial & Registration Services, where possible, will remind both the instructor and the student concerned that the Deferred Examination must be cleared by the specific date. It is the responsibility of the Instructor to inform Financial & Registration Services as soon as possible after the completion of the examination as to the grade that should appear on the transcript. A new statements of marks **will not be issued** if and when the grade is received. If students wish a copy of their updated transcript, they must request it and pay the required fee.

If, for domestic affliction or medical reasons, a student feels that the date originally set for the clearing of a Deferred Examination should be altered, the Dean of the Faculty/School which teaches the course may, in consultation with the instructor, grant a further extension of up to three months. Any further extension of the Deferred Examination must be considered by the Graduate Studies Committee of Senate upon application by the student and with the further recommendation of the instructor. The decision for, and length of, any further extension shall be made by the Committee and shall be final.

5.3.8 SPECIAL EXAMINATIONS

1. In cases where a student has failed to achieve a final examination mark considered to be representative of his/her ability as demonstrated throughout the duration of the course, on the approval of the Instructor, Department Chair, and Dean the student may be allowed to sit for a Special Examination.
2. A special examination application form available from Financial & Registration Services must be completed and returned to Financial & Registration Services within 21 days of the official publication of the final grades. All Special Examinations must be written within 14 days of approval being given, unless there are extenuating circumstances.
3. A non-refundable fee of \$30.00 must accompany a Special Examination application form when it is submitted to Financial & Registration Services (see section 4.2.1).

5.3.9 PRIOR LEARNING ASSESSMENT AND RECOGNITION (PLAR)

Brandon University respects all forms of learning, however it is attained, and recognizes also that individuals do achieve university level learning outside of the usual academic environment. In acknowledgement of these achievements, Brandon University aims to provide an accessible yet fair and rigorous process for assessing this prior learning by academic experts in the relevant subject area. Brandon University recognizes PLA credit on a case-by-case basis if the individual's learning has reached the expected range and depth of knowledge and skills for the particular academic credential requested by the PLAR applicant. While providing this opportunity, Brandon University reserves its mandate of ensuring that appropriate academic standards are maintained.

Only individuals who have been admitted to Brandon University are eligible to seek PLA credit. Applicants are to be aware that certain Brandon University Faculties or Schools may determine additional requirements for eligibility. Application for PLA credit shall

normally be initiated within the first 30 credit hours of registration in a new degree program at Brandon University.

PLA credit shall be subject to the normal Residence regulations. If PLA credit is granted, it will be recognized as Brandon University course equivalents or as Unallocated credit. PLA credit(s) will not normally be counted towards the applicant's degree program until he or she has successfully completed a minimum of 15 credit hours at Brandon University courses. The PLAR assessment fee is non-refundable and must be paid in full before an assessment will be conducted. Please contact Student Services at (204) 727-9769 for further information.

5.3.10 CHALLENGE FOR CREDIT

Challenge for Credit is permitted for students who have fulfilled, beyond the normal admission level equivalent, study equivalent to requirements for a Brandon University credit course. A student who audits a course may, after the course is completed, subject to approval of the Instructor, be allowed to challenge the course for credit, provided the regular Challenge for Credit fee is paid.

Permission to challenge a course is the prerogative of the Instructor in the course, Department Chair and Dean. The Challenge Exam will be held at a date mutually agreed upon by the student and instructor, in accordance with procedures approved by the Department, Faculty or School concerned. Students who have been admitted to Brandon University as Regular, Mature or Transfer students may be allowed a maximum of 15 credit hours of challenge for credit, and one challenge for credit per course. The challenge cannot include a course previously taken (passed or failed).

Normally a course used for admission may not be used as the basis for applying for challenge for credit; however, with permission of the Department and Dean, a student with superior standing in a course used as the basis for admission, may challenge for credit. A challenge for credit shall be (1) considered the equivalent of a transferred course and therefore subject to the Residence Regulations and (2) counted as part of the number of the attempts for the degree sought and so recorded on the student's academic record.

Students may not challenge for credit (1) while on Probation, Suspension, or Academic Withdrawal or (2) challenge a course on the basis of having obtained standing in a course at a lower, equal or higher level. Students who are granted permission to challenge for credit must complete or challenge the prerequisite courses listed for the course challenged for credit unless the prerequisite has been waived by the Department.

The Challenge for Credit application form is obtainable from Financial & Registration Services. Once the Instructor, Department Chair and Dean have given their written approval, the form must be returned to Financial & Registration Services which shall then assess the full tuition fee assessed for the course at the time of application. The fee is non-refundable.

5.3.11 GRADE APPEALS

1. Where a student exercises his/her right to appeal the final grade in a course (excluding Music or Fine Arts courses culminating in a jury or concert), he/she shall, within 21 days of the date the final grade was issued, make a reasonable attempt to meet with the instructor of the course with a view to presenting his or her reasons for requesting a change of grade.
2. If it is not possible to arrange a meeting between the instructor and the student or if a meeting is held and the student is dissatisfied with the outcome, the student may elect to submit a formal appeal in writing to Financial & Registration Services, accompanied by a non-refundable fee as outlined in section 4.3 Miscellaneous Fees. Where possible, a Grade Appeal Form, available from Financial & Registration Services, should be included. This formal appeal must be submitted within 42 days of the date the final grade was issued. Appeals submitted after this length of time will not be considered. In the written appeal, the student shall state his or her reasons for requesting a change of grade and provide all relevant information and documentation in support of the appeal.
3. Upon receipt of the appeal and the required fee, Financial & Registration Services shall forward the appeal to the Dean of the Faculty that offers the course. The Dean, in consultation with the Department Chair, shall investigate the matter. This investigation will normally include a reassessment made by one or, if possible, two other instructors in the same discipline or a closely related discipline. The Dean is not restricted in his

or her decision to finding either for or against the request of any appeal, but may award any letter grade or any available non-grade designation. This means the Dean can adjust grades up or down, or change a grade designation to a non-grade designation.

- The Dean shall make a reasonable effort (e.g. via registered mail) to inform the student, Instructor and Departmental Chair of the outcome of his or her determination. In the event that he or she determines that a change in grade is warranted, a Change of Grade Form will be submitted to Financial & Registration Services and the student so informed.
- If the student is dissatisfied with the Dean's decision, the student may, within 21 days of the Dean's decision, submit a written request to the Senate Office asking that the Graduate Studies Committee consider the appeal. (No member of the Graduate Studies Committee who reviewed the case or made a determination in the case shall participate in the grade appeal.) Where the appeal is accepted, the Chair of Graduate Studies shall request that the instructor(s), the student, and the Dean submit any and all relevant documentation pertaining to the appeal to the Grade Appeal Subcommittee. This committee shall be established by and from members of the Graduate Studies Committee consisting of one student member, one faculty member and one Dean. The Chair of the Graduate Studies Committee shall chair the Grade Appeal Subcommittee and shall vote only in the case of a tie. The subcommittee will review the appeal. In the context of this review the Subcommittee may meet with the student, meet with the Chair, and meet with witnesses. The student will be informed of and given the opportunity to answer all evidence that the Subcommittee has under consideration. The subcommittee is charged with making a determination drawing upon the facts of the case based upon a preponderance of the evidence. The Subcommittee's determination will be based upon a majority vote of the Subcommittee. The Chair of the Subcommittee will take reasonable steps to contact the student, Instructor and Department Chair (including correspondence by registered letter) in order to inform him or her of the outcome of the Subcommittee's decision. The Subcommittee's determination is final.

5.3.12 PERFORMANCE APPEALS

- Situations relating to academic performance which may be appealed include: Academic Suspension; Academic Withdrawal; re-admission to the University after suspension under the Mature Student Admission category; and any particular items relating to registration and graduation requirements. Students considering a performance appeal are advised to meet with their Dean and/or an academic advisor and/or student representative prior to submitting an appeal. In the event that a student decides to submit a formal appeal, a non-refundable fee will be assessed. The relevant fee is payable at Financial & Registration Services, and a copy of the receipt should be attached to the appeal when it is submitted to the Senate Office as outlined below.
- Performance appeals must be submitted in writing by the student to the Senate Office and must contain a background rationale and supporting documentation. Where possible, a Performance Appeal Form (available at either the Senate Office or Financial & Registration Services) shall be submitted. Each appeal shall be heard by the Graduate Studies Committee. Performance appeal decisions shall be referred to the Registrar for implementation and to Senate for information.
- If the student is dissatisfied with the outcome of number 2 (above), he or she may submit a written request to the Senate Office asking that the appeal be heard by the full Graduate Studies Appeals Subcommittee. Normally, such a request will be accompanied by new information not available to the Subcommittee, or an amplification of information previously submitted. Upon receipt of such a request, the appeal shall be heard by the full Graduate Studies Committee. The full Graduate Studies Committee's decision is final.

5.4 ACADEMIC PERFORMANCE REQUIREMENT

5.4.1 GRADUATE DIPLOMA IN EDUCATION

Students registered in the Graduate Diploma in Education are required to maintain a minimum sessional grade point average of 2.7. Students will be assessed at the end of each session in which they have completed 9 credit hours. Students who obtain a sessional g.p.a. of less than 2.7 will be placed on **Academic Probation**.

Students placed on **Academic Probation** are required to have the approval of the Dean of Education for registration in the subsequent session.

If a student has been placed on **Academic Probation** and fails to achieve a 2.7 sessional g.p.a. in the subsequent session, that student will be placed on **Academic Suspension** for a period of one calendar year (12 months). Students who have been suspended are required to have the permission of the Dean of Education to register following **Academic Suspension**. Students who, after Suspension, fail to achieve a sessional g.p.a. of 2.7 after returning from Suspension will be placed on **Academic Withdrawal** from the University for a period of 60 months.

A minimum grade of "C+" must be attained in each course counted toward the Diploma. Any grade lower than a "C+" will not be counted. Students who acquire in excess of 9 credit hours below this minimum in their Graduate Diploma program will be denied further registration.

These regulations came into effect for students commencing the Graduate Diploma in Education whose first registration is dated September 1, 2006 or later.

5.4.2 MASTER OF EDUCATION

Within the Master of Education program, a minimum cumulative g.p.a. of 3.0 for the first 30 credit hours must be maintained for continuation in the program.

Any student falling below the minimum required will be placed on **Academic Probation** for the following 9 credit hours of registration. During **Academic Probation**, registration must be approved by the Dean, who may impose restrictions on the courses approved (e.g., on the total number of credit hours chosen during a single term, and on specific courses selected).

The g.p.a. achieved during the 9 credit hours spent under Probation must not fall below 3.0. Failure to achieve a sessional g.p.a. of at least 3.0 within those 9 credit hours will result in **Academic Suspension** for a period of 12 months. Students placed on **Academic Suspension** may be readmitted on appeal to the Faculty of Education Graduate Studies Committee and the Senate Graduate Studies Committee. Failure to meet the academic performance requirements set by the Committee will result in removal from the program.

With the permission of the Faculty of Education Graduate Studies Committee, the student may repeat, once, a course for which the grade was below "B-".

A minimum grade of "B-" must be attained in all courses counted toward the degree. Students who acquire in excess of 9 credit hours below this minimum in their Master's degree program will be denied further registration.

5.4.3 MASTER OF MUSIC

Within the Master of Music programs it is understood that strong work is represented by grades in the A range. Performance that is judged adequate, but not of sufficient quality to recommend study beyond the Master's level is marked in the B range. A minimum course grade of "B-" must be attained in all courses to be counted toward the degree. Courses in which a grade less than "B-" is earned may be repeated only with the permission of the School of Music Graduate Department. The minimum grade point average for graduation with the Master of Music Degree is 3.0 ("B").

A minimum cumulative g.p.a. (c.g.p.a.) of 3.0 must be maintained for continuation beyond 15 credit hours in the Master of Music program.

Any student falling below the minimum required will be placed on **Academic Probation** for the following 9 credit hours of registration. During **Academic Probation**, registration must be approved by the Dean, who may impose restrictions on the courses approved (e.g., on the total number of credit hours chosen during a single term, and on specific courses selected).

The g.p.a. achieved during the 9 credit hours spent under Probation must not fall below 3.0. Failure to achieve a sessional g.p.a. of at least 3.0 within those 9 credit hours will result in **Academic Suspension** for a period of 12 months. Students placed on **Academic Suspension** may be readmitted on appeal to the School of Music Graduate Department and the Senate Graduate Studies Committee. Failure to meet the academic performance requirements set by the Committee will result in removal from the program.

With the permission of the School of Music Graduate Department, the student may repeat, once, a course for which the grade was below "B-".

Students who achieve in excess of 9 credit hours below the minimum of "B-" will be denied further registration.

5.4.4 GRADUATE DIPLOMA IN RURAL DEVELOPMENT

Students registered in the Graduate Diploma are required to achieve a minimum grade of "B-" in each course to be counted toward the Graduate Diploma. Students will be assessed after completion of 12 and 18 credit hours. Students who obtain a g.p.a. of less than 2.7 after 12 credit hours will be placed on **Academic Probation**, and must have the approval of the Chair of the Department of Rural Development to register in further courses. Students who obtain a g.p.a. of less than 2.7 after 18 credit hours will be placed on **Academic Suspension** for one year. Continuation of the Graduate Diploma program after Academic Suspension requires approval of the Department of Rural Development and the Senate Graduate Studies Committee.

5.4.5 MASTER OF RURAL DEVELOPMENT

Students registered in the Master's program are required to achieve a minimum grade of "B" in each course to be counted toward the degree. Students will be assessed after completion of 12 and 18 credit hours. Students who obtain a g.p.a. of less than 3.0 after 12 credit hours will be placed on **Academic Probation**, and must have the approval of the Chair of the Department of Rural Development to register in further courses. Students who obtain a g.p.a. of less than 3.0 after 18 credit hours will be placed on **Academic Suspension** for one year. Continuation of the Master's program after suspension requires approval of the Department of Rural Development and the Senate Graduate Studies Committee.

5.5 GRADUATION

**SECTION 6
GRADUATE STUDIES IN EDUCATION**

6.1 PURPOSE OF GRADUATE DIPLOMA IN EDUCATION

The Graduate Diploma in Education replaces the Bachelor of Education (5th Year) degree program. This diploma program is intended to provide a terminal route to those who are seeking only to upgrade their qualifications. It also serves as a means to acquire special certificates awarded by the Department of Education and/or a means to continue in the 54 credit hour Master in Education degree program.

6.1.1 OUTLINE OF THE GRADUATE DIPLOMA PROGRAM

The Graduate Diploma in Education is designed to provide an opportunity for students to further their studies in Education at the Graduate level. The program leading to the Diploma is intended to allow students to follow their academic and professional interests while at the same time providing the opportunity to continue towards a Master in Education degree.

Students admitted to the Graduate Diploma program will be required to complete a minimum of 30 credit hours of study beyond the Bachelor of Education degree (or equivalent degree). At least 12 of these credit hours must be in a specialization, six credit hours in core courses in course work outside their specialization and six credit hours of elective course work. The chair of the Faculty of Education Graduate Studies Committee (FEGSC) will serve as program advisor. Areas of specialization include: Educational Administration, Guidance and Counselling, Special Education, and Curriculum Studies.

In addition, students may be permitted to develop a thematic specialization around an area of professional interest. These thematic areas might include: Aboriginal Education, Educational Psychology/Foundations, Early Childhood Education and Physical Education. All programs must be approved by the Chair of FEGSC.

6.1.2 PROGRAM REGULATIONS FOR THE GRADUATE DIPLOMA IN EDUCATION

SECTION 8 RURAL DEVELOPMENT

8.1 GRADUATE DIPLOMA IN RURAL DEVELOPMENT

The Graduate Diploma in Rural Development is designed to provide graduate level study to those who want to extend their knowledge of theory and practice through coursework but are not interested in the research training component of graduate study.

The Chair of the Department of Rural Development will assign each student registering in the Graduate Diploma in Rural Development program an advisor who will help the student design a program of study. Any course sequence is allowable, but the thesis option is not available.

8.1.1 ELIGIBILITY FOR ADMISSION

Please see section 5.1.5 for full details.

8.1.2 PROGRAM REGULATIONS

- Twenty-four (24) credit hours are required to receive a Graduate Diploma. At least 18 credit hours must be at the 500 level. All non-500 level courses require the approval of the student's advisor, appropriate undergraduate Department Chair, and the Chair of the Department of Rural Development.
- 100 level courses may not be taken for credit toward the Graduate Diploma.
- A student is expected to complete the program requirements within six (6) years after first registration.
- Each student's program of study must be submitted for approval to the student's academic advisor.
- Students may earn up to 3 credit hours by attendance at approved non-credit professional development sessions (workshops, conferences, in-service sessions). Normally, one credit hour is earned for attendance for every 24 hours of relevant non-credit sessions.

Prior approval must be sought in the following manner to determine eligibility for credit: The student must submit a written request with the supporting materials/documentation to his/her program advisor. It is expected that workshops, conferences, and professional in-services for which credit is sought will be completed during the student's program and before graduation. Content material should reflect an identifiable theme in rural development and be appropriate for graduate level study. These 3 credit hours will be graded "Pass" or "Fail". Normal per credit hour fees will apply. If a program of 3 credit hours is planned and approved, students will receive credit for 88:580 Guided Individual Study.

- Prospective students with little direct background in the areas/disciplines/methodologies relevant to rural development may be required to satisfy the Rural Development Graduate Admis-

sions Committee that they will be able to complete the required courses. This may occur, for example, by receiving successful standing in a maximum of two 3 credit hour courses taken at the undergraduate level. The nature of these courses is to be established by the Rural Development Graduate Admissions Committee. All prospective students must have an advanced undergraduate research methods course or the equivalent.

- A Prior Learning Assessment and Recognition (PLAR) process may be used to evaluate prospective students who have some formal training and detailed relevant experience. This PLAR process will be utilized for both admission and awarding of credit. A maximum of 6 credit hours through PLAR may be used toward the degree. Application for PLAR credit must be made in writing to the Chair of the Department of Rural Development. The submission will include a portfolio providing evidence of participation and accomplishments relevant to rural development. Guidance on the format and details of the submission can be obtained from the Chair, or from the departmental web page at www.brandonu.ca/Academic/RuralDevelopment.

8.1.3 ACADEMIC PERFORMANCE REQUIREMENT

- Students who successfully complete the Graduate Diploma in Rural Development may transfer course credits to the Master of Rural Development degree if these credits meet the requirements of the Master's degree program. Only courses in which a minimum grade of "B" was attained may be used for transfer of credit. The same credit hours cannot be applied to both the Diploma program and the Master's program.

8.2 MASTER OF RURAL DEVELOPMENT (MRD)

Prior to applying to the Master of Rural Development Degree program, students are strongly advised to approach the Chair of the Department of Rural Development or one of its core faculty for program information and guidance in working through graduate studies. The student will be assigned an academic advisor upon entry to the program. The Department of Rural Development is committed to high levels of scholarly achievement and to preparing students for leadership roles. Students should expect a program that is academically challenging as well as practical in orientation.

The course work of the Master's program must be completed within a maximum period of four (4) years from the date of admission. Students who require an extension for successful completion of their program must obtain approval from the Chair of the Department of Rural Development and the Senate Graduate Studies Committee. Students have two years in which to complete their thesis requirement once it has been initiated. Students who require an extension for the thesis must obtain approval from the Chair of the Department of Rural Development. A fee must be paid to maintain the student's status in the program in any year in which he/she is not registered in course work.

If a student exceeds the extension option, he or she may apply for re-admission. At that time, his/her entire program will be reviewed. If the student is re-admitted, a revised program will be developed.

8.2.1 ELIGIBILITY FOR ADMISSION

Please see section 5.1.6 for full details.

8.2.2 PROGRAM REGULATIONS

This course begins by reviewing economic theories relevant to resource communities (e.g., staples and export-based theories). Using regional inventories, the current states of resource-dependent regions in Canada are explored (e.g., cod fishery, mine closures, changing farm structure). The course then examines the public policy implications of these issues (e.g., local economic development programs), as well as the regulatory framework for resource development in Canada (e.g., Environment Impact Assessment processes). A seminar format is adopted.

May not be taken by students with credit in 38/88:464.

Cross-registered with (Geography/Rural Development) 38/88:464
3 seminar hours per week, one term.

RURAL ISSUES

Prerequisite: Nil.

Rural Issues explores a variety of current problems in rural areas focusing mainly on Canada and the developed world. Issues will normally include, but not be limited to, concerns such as urban growth in the countryside, agricultural land preservation, rural and agricultural restructuring, sustainable forest management, the impact of climate change in rural/agricultural areas, provision of rural health care, poverty (especially among certain social groups),

rural crime and safety, rural industrial development, strategies for development, and disadvantage as a multidimensional concept.

May not be taken by students with credit in 88:350.

3 lecture hours per week, one term.

88:566 (3)

RURAL DEVELOPMENT AND SOCIAL INDICATORS

Prerequisite: Permission of Instructor.

This course examines quantitative issues related to "measuring" rural development, particularly through the use of social indicators. The course begins with an introduction to social indicators research and rural development, including philosophical perspectives and theoretical and conceptual frameworks. This is followed by examples and case study analyses using a) quantitative/objective social indicators and b) qualitative/subjective social indicators. A significant part of the course each year will be a rural community study involving the collection and analyses of subjective social indicators and linking these to rural development patterns. The course will conclude with evaluations and assessments focused on developing critical perspectives on rural development and social indicators.

May not be taken by students with credit in 88:351.

3 lecture hours per week, one term.

88:569 (3)

SEMINAR IN AGRICULTURAL HISTORY

Prerequisite: Nil.

This is an elective seminar course for graduate students in the Master of Rural Development programme (meets concurrently with 54/88:459 but with graduate level expectations) that will explore a variety of themes in agricultural history. Course will have world, North American, and regional/local focuses.

3 lecture hours per week, one term.

88:580 (3)

GUIDED INDIVIDUAL STUDY

Prerequisite: Nil.

This course is tailor-made for the student's needs, interests and areas of specialization. After determining these, the Department of Rural Development will assign a course advisor who will develop the course requirements and assessment methods. Guided Individual Study is developed on an individual student basis with a Department of Rural Development faculty member.

88:590 (3)

CO-OPERATIVE EXPERIENCE

Prerequisite: Nil.

On the basis of interest, knowledge and availability, the student will be assigned a place of work, a program of research/field work that will enhance the student's knowledge and understanding of rural-based work, as well as the institution to which the student has been assigned. Co-operative Experience is developed on an individual student basis with a Department of Rural Development faculty member.

88:591 (3)

RESEARCH METHODS I

Prerequisite: Nil.

This course orients students to proposal preparation and thesis completion through discussion, literature reviews, examination sampling and survey design, analytical methods and forms of written expression. All students in the Master of Rural Development program must complete this course.

3 lecture hours per week, one term.

88:592 (3)

RESEARCH METHODS II

Prerequisite: 88:591.

This course is designed to prepare students to complete their graduate thesis. The course consists of units on the technical aspects of thesis proposals, defining audience and organization, and preparing literature reviews and working outlines. The course involves a review of the statistical methods most commonly used for analysis of data relating to rural development.

3 lecture hours per week, one term.

88:599 (3)

SPECIAL TOPICS IN RURAL DEVELOPMENT

Prerequisite: Enrolment in Graduate or Master of Rural Development program.

A course of study on a special topic in rural development to be selected in consultation with the department. May be a series of

lectures or seminars by visiting professors or regular members of faculty. May be a research project on a special topic in rural development, normally culminating in a major paper.
3 lecture hours per week, one term.

88:600 (9) THESIS

Prerequisite: Permission of the Department.
Students must complete and successfully defend a thesis to receive the MRD degree. A thesis involves the identification, articulation and critical analysis of a significant issue in rural development. Definition of the topic and preparation of the thesis will be supervised by a faculty advisor or advisors, and normally will involve an advisory committee. Final approval of the thesis (defence) must involve a three person adjudication, including the Faculty advisor and two others.

88:602 (3) ADVANCED SKILLS FOR RURAL DEVELOPMENT

Prerequisite: Nil.
Practical skills for rural development are essential tools for effective engagement in community development. The "Skills" course is designed to develop essential skills not already built into other courses in the Masters program. These skills may relate to communication (e.g., language acquisition, information technology, multi-media presentations), organization and planning (e.g., grant proposal preparation, visioning, strategic planning) or group facilitation (e.g., conflict management, effective meeting management, gaining participation). The mix of skills may vary from time to time as demands made on the profession are recognized.
