

Boxed courses are mandatory for a degree in Chemistry, along with an additional 12 credit hours of 300 or 400 level courses, of which 6 credit hours must be at the 400-level (4 year degree requirements)

Courses in italics are those that are offered in alternating academic years

Different colours indicate individual faculty members. **Pink = Dr. Yan, Red = Dr. Forrest, Blue = Dr. Hill, Green = Dr. Berry, Black = multiple/varying instructor.** **Courses in brown are offered by departments other than Chemistry but may be used towards a Chemistry degree**
