

Brandon University

COVID-19 – Informed Consent and Campus Eligibility

ALL STUDENTS MUST READ BOTH PAGES, INITIAL EACH POINT AND SIGN BEFORE COMING TO CAMPUS

Your success is important to us. If you become ill or otherwise ineligible to attend campus, please as soon as possible contact your instructor and/or the building office where you require access, so that we can make alternative arrangements to support you.

Manitoba is under a province-wide state of emergency to protect everyone's health and safety and to reduce the spread of the novel coronavirus, which causes a disease known as COVID-19. This highly infectious disease is easily spread, and it can cause serious illness and even death.

While it is impossible to eliminate all risk, Brandon University has put in place measures designed to limit and reduce the spread of COVID-19. These measures include increased cleaning and sanitization, plastic barriers, limited campus access with reduced classroom and lab capacity, mandatory masks, and more.

By coming to the Brandon University campus, by using Brandon University facilities, or by participating in activities organized by Brandon University, whether on-campus or off-campus (including student internships and placements) you may be exposed to COVID-19 and could contract it yourself.

Please initial the following statements to declare that you understand and accept these risks.

I UNDERSTAND THAT:

COVID-19 has been declared a worldwide pandemic by the World Health Organization and that COVID-19 is extremely contagious and can spread by person to person contact

By participating in Brandon University activities I may become infected with COVID-19, which could result in the following: extended quarantine/self-isolation, additional tests, hospitalization that may require medical therapy/intervention, intensive care treatment, possible need for intubation/ventilator support, short-term or long-term intubation, other potential complications (including lung and heart complications) and the risk of death.

COVID-19 might cause additional risks, some of which may not currently be known at this time.

These risks could cause me to incur medical and other expenses.

COVID-19 – Informed Consent and Campus Eligibility

CONTINUED FROM PREVIOUS PAGE

Brandon University has put in place measures designed to limit and reduce the spread of COVID-19. To help us, we ask you to assess your own individual risk factors as well, and we are prohibiting campus access to those at higher risk.

It is your responsibility to always know the current public health guidance related to COVID-19 in Manitoba. This includes physical distancing, group size limits, common symptoms, and behaviours like hand-washing and wearing masks.

These guidelines continue to change and you should continue to monitor the most recent official information from the Province of Manitoba. Thank you for helping us keep you, and everyone on campus, as safe as possible.

Please initial the following statements to certify that you are eligible to attend campus.

I CERTIFY THAT:

No one in my household, including me, has been exposed to COVID-19, nor diagnosed with COVID-19

No one in my household, including me, is being directed to self-isolate.

I am following all current public health guidelines as much as possible.

I will continue regular self-monitoring for symptoms or other COVID-related risk factors.

If my circumstances change, I will notify Brandon University immediately, either through my instructor or to the main office of the building I attend.
