

Executive Director Opportunity

Aurora Panorama from CNSC

Leading edge learning and research facility in the North!

Exceptional opportunity for individuals who enjoy nature, fishing, hunting and/or other outdoor activities and want to contribute to environmental learning. Suited candidates will have a good understanding of science, related university degree, work well with multiple personality types and have leadership experience and acumen.

The Organization

The **Churchill Northern Studies Centre** (CNSC) is an independent, non-profit research and education facility a 23k commute from the friendly town of Churchill Manitoba, on the shore of the historic Hudson Bay. With an annual operating budget of \$1.9M, the CNSC facilitates scientific research and educational programming in the physical, biological and social sciences by providing logistical support to visiting scientists and high-quality education programs for the general public. To learn more about the Centre and to take a virtual tour of the facilities visit: www.churchillscience.ca

The Opportunity

Reporting to the Board of Directors, the Executive Director is responsible for the general development, management and supervision of the affairs and operations of the Churchill Research Centre Inc. o/a **Churchill Northern Studies Centre** (CNSC). This is an exceptional opportunity to assume a critical leadership position for an organization that is at the leading edge of facilitating learning and research in the North!

Key Responsibilities include:

- Provide leadership to a core team of 7 full-time staff and up to 15 part-time staff;
- Manage the maintenance of facilities and plan for sustainable use;
- Drive the Centre's continued success and development of diverse activities and programming;
- Develop and implement strategic plans to create a secure and sustainable future;
- Facilitate a positive guest experience in an effective learning environment; and
- Balance revenue generation with the CNSC's vision "to understand and sustain the North.

Selection Criteria include:

- Post-Secondary degree in related experience (e.g. Science, Business, Commerce, Education, Hospitality, Human Resources);
- More than 5 years of experience leading teams and functions;
- Strong financial acumen with experience managing significant budgets;
- Entrepreneurial and community-minded attitude;
- Experience successfully working with diverse groups of people; and
- Non-profit, research sector, and/or learning & development experience an asset.
