

BOARD OF GOVERNORS

The Board of Governors is a collective representing the entire community (both internal and external to the University). As a collective, the Board of Governors is responsible for ensuring the financial stability of the institution and for seeing that the overall plans of the institution are in keeping with the institution's philosophy, goals, and financial resources. The Board consists of 17 members.

Secretariat Coordinator to the Board of Governors

The Secretariat Coordinator to the Board of Governors keeps all records pertaining to the Board of Governors.
