Brandon University Foundation Annual Report 2010

Greetings from the President of Brandon University

It is a pleasure to greet you once again with this year's annual report of the Brandon University Foundation.

There is much that has happened at BU this year and much more that is planned. We are currently in the process of launching our capital fundraising campaign which we have called the BUILD Campaign. BUILD is also the name of our new university plan which stands for Brandon University – Innovation, Leadership and Development. A copy of the plan can be found on our website, www.brandonu.ca. The BUILD plan focuses largely on student recruitment and retention – essentially building student success at Brandon University. One key dimension and our lead campaign goal for the BUILD Campaign is \$7 million for Brandon University's Healthy Living Centre which I announced in my message to you last year as an exciting new facility which has funding from the federal, provincial and municipal governments and from committed donors like you. At this point, we have \$18.8 million toward the funding for that facility and we need \$7 million more to meet the full cost of what will be a state-of-the-art building with basketball courts, weight and fitness training equipment, a jogging track and much more. You can see the plans on pages 4 and 5 of this report for more details.

As well, in order to attract the brightest and best students from home and away to BU, we will be seeking funds to increase the number of competitive scholarships that we offer. We are also looking for funds to enhance the success of Aboriginal students in fulfilling their goals of a university education for themselves and for their people through an integrated and comprehensive educational support program.

This past January, the Premier of Manitoba announced that BU will lead a multi-stakeholder steering committee to explore the educational needs of physicians to practice in rural and northern communities in this province. This is an exciting opportunity and we are looking forward to the task.

In short, we are active and moving forward on many fronts to maintain Brandon University's successes. You are part of those successes and we look forward to our continued partnership in helping Brandon grow.

Warmest regards,

Deborah C. Poff, PhD
President and Vice-Chancellor

Greetings from the President of Brandon University Foundation

Brandon University is a wonderful institution; full of history and tradition yet constantly delivering increasingly innovative and relevant programming. Our students, faculty, staff and alumni continue to make me so proud to be a member of the Brandon University family.

Today, post-secondary institutions face significant financial challenges and so it is wonderful that so many of you contributed to this year's Annual Fund campaign. Contributions increased by 20% from last year to \$78,500. Congratulations and thank you to our student callers and to staff for this success. And of course, thank you to our donors.

On May 13, 2011, at our annual general meeting, I will be handing the president's gavel to my colleague and fellow graduate Ed Mazer. I know he will do an excellent job and I look forward to working with him in my role as past president. As I leave office,

I would like to thank BU staff and faculty for their support, particularly the Institutional Advancement staff, who have all been excellent. I would also like to thank Foundation members and particularly the Management Committee for their support and hard work. With a few exceptions I have managed to put a check mark beside each of my goals as President. This would not have been possible without you. And finally, I convey the biggest thank you to our donors. You are the key to our success. Thank you for a wonderful year.

With warmest regards,

Pat Britton
President, Brandon University Foundation

Brandon University Healthy Living Centre

Brandon University has announced plans for a new \$24.3 million Healthy Living Centre. To date, approximately \$6.3 million has been raised through private donations. The government of Canada has committed up to \$5.31 million from the Building Canada Fund with the government of Manitoba and the City of Brandon committing up to \$5.31 million and \$1.88 million respectively. Our goal is to raise an additional \$7 million through the BUILD Campaign.

The new Healthy Living Centre will incorporate the University's current 30,000 square-foot facility which will be renovated and expanded to increase the building's overall size to approximately 79,500 square feet. It will revolutionize BU's athletic, sports, fitness and wellness programming, and will enhance community involvement with staff dedicated to community programming. The facility will support patient recovery and therapy programs and plans, as well as competitive, top-ranked programs and team achievements.

The new building will be accessible to students, staff and the surrounding community and will include:

- New weight resistance exercise machines
- 1,000 new individual spectator seats
- Bobcat Athletics Hall of Fame area

- Athletic therapy
- Additional classroom space
- Multi-purpose areas
- Modern change rooms and washrooms

The project's tender period will take place between the end of May and mid-June 2011. The shovel is expected to be in the ground in early fall 2011, with an anticipated move in date of December 2012.

Legacy Giving at Brandon University

What is a Legacy Gift?

A Legacy Gift, also known as a Planned Gift, is a charitable donation arranged during a donor's lifetime but generally not available to Brandon University until sometime in the future. Combined with estate and tax planning, Legacy Gifts can maintain the value of a donor's estate for loved ones while allowing the donor to make a gift without affecting their current lifestyle.

Gifts do not necessarily have to be deferred until the end of one's life to be considered a Legacy Gift. Some donors prefer to make an outright gift to immediately see the impact of their generosity. Any donation of substantial assets given during your lifetime, designed to meet your charitable goals and sometimes to maximize tax or estate planning objectives is also considered to be a Legacy Gift.

In addition to attractive tax incentives, many individuals and businesses want to leave their own legacy for which they will be remembered. Donors may give a designated gift to a particular area of interest or they may choose to give an undesignated gift to help the University with its most pressing needs. Others make a capital gift to help build new facilities or renovate existing structures. Still others create or support endowments for scholarships, research, equipment funds or the library. Methods of giving are as widely varied as the funding interests of our donors, and regardless of the size of the gift, they all have a positive impact on the continued success of the University.

Some examples of Legacy Giving vehicles are:

Bequests

(a gift designated in a will)

Gifts in Kind

(real estate, securities, art, etc)

Annuities

Life insurance

**Charitable remainder trust
or charitable residual trust**

The A. E. McKenzie Legacy Society

The A. E. McKenzie Legacy Society is named in honour of Albert Edward McKenzie, the first person to designate a legacy gift to Brandon University. Given at the height of the Depression in the 1930's, this gift saved the University from certain closure.

The A. E. McKenzie Legacy Society recognizes the leadership of farsighted individuals who have established a planned gift for Brandon University. We encourage those who have set up a planned gift to advise us of their intentions. By doing so, we are able to recognize them for their gift and also to extend our sincere appreciation to them. This also provides an opportunity to discuss with them how their gift will benefit the University. When requested, anonymity is kept in strictest confidence.

A Legacy for Brandon University Piano Majors

Angela Caroline Thompson '48

Anne Thompson

Brandon University will be offering a new bursary for piano students in the BU School of Music, thanks to the generosity and forethought of Angela Caroline Thompson who left a \$50,000 bequest to be used by Brandon University "to provide financial assistance to needy piano students." Because her wishes were to establish an endowment with this gift, an award of approximately \$2,250 will be generated annually in perpetuity for undergraduate or graduate piano majors in financial need. In addition to the bursary, Miss Thompson left an extensive collection of sheet music to Brandon University School of Music.

Angela was born in Brandon, Manitoba on July 3, 1926. She received her Bachelor of Arts degree from Brandon College in 1948. Her further education included the University of Manitoba and the Toronto Conservatory of Music. Her teaching career took her to Hamiota, East Kildonan Collegiate, Lord Selkirk Collegiate, and Clifton, Isaac Brock and Miles MacDonnell Schools. As well as teaching regular and gifted classes, she taught French, Music and Physical Education. Being an accomplished pianist, she played at many school events and she entertained seniors as part of the Melody Makers band. Angela was an avid sports fan and also participated in many sports. She enjoyed traveling and most of her summers were spent doing just that.

Miss Thompson passed away in Winnipeg in September 2009 at the age of 83. Her memory will continue to live on through the Anne and Angela Thompson Memorial Bursary, which is named in memory of Angela and her mother, Anne Thompson.

Brandon University Foundation Presidents' Circle

The Brandon University Presidents' Circle brings together our most dedicated supporters who believe in the importance of fostering the future of Brandon University and our students and faculty. Over

the past year, Presidents' Circle level gifts have been designated to scholarships and bursaries, athletic awards, technology and equipment, the greenhouse, the Healthy Living Centre and many other areas on campus.

Our institution benefits greatly from the support of Presidents' Circle donations, and in appreciation of their valued

support, members are invited to participate in exclusive events that feature exciting campus accomplishments and activities. These events are hosted by the President of Brandon University, and the President of Brandon University Foundation.

Membership in the Presidents' Circle begins with a charitable gift of \$1,000 or more within one year (or as little as \$19.25 per week). Gifts are tax deductible and can be directed to the donor's area of choice. Order of the Sheaf

For over 100 years Brandon University has received an enormous amount of financial and volunteer support from individuals and organizations. The Order of the Sheaf is an honour society that recognizes those whose financial support has helped to ensure the advancement and quality of higher education at Brandon University.

This year we are pleased to report that we have inducted 37 new members into the Order of the Sheaf and that 23 current members advanced to a higher philanthropic level. Donors reach recognition levels based on their total contributions to Brandon

University. Membership in the Order of the Sheaf begins automatically when a donor reaches a cumulative gift level of \$1,000 or more. Names listed in bold and italics advanced to a new level of recognition in 2010; those listed in bold indicate that the donor is new to the Order of the Sheaf.
