2013 ANNUAL REPORT

**BRANDON
UNIVERSITY**

Founded 1899

GREETINGS FROM THE BU PRESIDENT

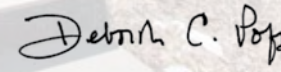

Dear Members of the Foundation,
Generous Donors, Friends and
Family of BU,

As you will see from this year's annual report, this has been a very active fundraising year. We have received a number of large and significant donations, both for the Healthy Living Centre and for scholarships and bursaries for students. We have also received funding for scholarships and bursaries that have been particularly targeted for Aboriginal students.

While many donations and awards are listed in this report, some are still pending negotiations on naming and matching agreements. So there will be more good news to come.

I hope you enjoy reading this year's annual report. I want to thank you for your continued support of Brandon University and the Brandon University Foundation.

With best regards,

Deborah C. Poff, PhD
President and Vice-Chancellor

GREETINGS FROM THE BU FOUNDATION PRESIDENT

Brandon University Foundation was incorporated in 1980 to promote the advancement of higher education at Brandon University and improve the quality of its facilities and activities. We are grateful to the many donors who have since helped us to carry out that mission, enabling us to enhance the programs and services offered to BU students.

In 2013, much of our fundraising focus, through the BUILD Campaign, was on the new Healthy Living Centre, which is now open and being used by many community members. We continue to fundraise for the remaining needs of that facility, as well as for

the other two pillars of the BUILD Campaign: Scholarships and Bursaries, and initiatives for Aboriginal Student Success.

Thank you donors, alumni, friends and fellow volunteers for your continued support in helping us to build Brandon University! I look forward to continuing our efforts in support of BU students.

Sincerely,

Nathan Peto
President, Brandon University Foundation

Since its inception in 1980, the BU Foundation has helped to raise and continues to steward over \$50 million.

Annual Fund 2013-14 raises more than \$60,000*

Brandon University has raised \$60,200 thanks to alumni and donors who have made contributions through our annual mail and email appeal. Many of these gifts are given in direct support of various priority areas on campus, while others are undesignated, allowing Brandon University to provide critical funding resources where our needs are the greatest. The Annual Fund continues to generate important revenue for enhancements to programs and services and is making a significant impact on our students, allowing us to continue to provide a high quality education in an intimate setting.

BUILD Campaign

The BUILD Campaign at Brandon University is currently raising \$22 million to support an all-inclusive approach to student success. It supports the University's commitment to focus on the advancement, growth, and solid preparation of our students for thriving careers and engaged citizenship.

Building new partnerships at Brandon University

Soon we will be entering the public phase of the BUILD Campaign to achieve our fundraising goal for the Healthy Living Centre. We look forward to continuing fundraising for the two remaining pillars of the BUILD Campaign—enhanced scholarship and bursary endowment programs for each of BU's five faculties and essential support for the Aboriginal student success program.

Prairie Ford Dealers Association

Marking a significant investment in the Scholarships and Bursaries pillar of the BUILD Campaign, the Prairie Ford Dealers Association has donated \$50,000 to establish a new award entitled the *Prairie Ford Dealers Association Scholarship-Bursary*. Four awards valued at \$2,500 per year for the next five years will support Aboriginal students in all years of study in all faculties. Brandon University is pleased to announce this new partnership with the Prairie Ford Dealers Association, which represents over 50 Ford dealerships across Saskatchewan and Manitoba.

Investors Group

Brandon University is pleased to thank Investors Group for a gift of \$50,000 to the Healthy Living Centre. This most recent gift marks the strong, supportive relationship between Investors Group and Brandon University, and caps off a giving history that totals over \$200,000 to date. Past gifts have been in support of Bobcats Athletics, the Investors Group Distinguished Speakers Series and various other projects.

John & Nancy Kelleher and Kelleher Ford

With their generous gift of \$50,000 over the next three years, John and Nancy Kelleher and Kelleher Ford are setting a strong example of support for Brandon University within this community. This gift signifies the start of a new partnership, and Brandon University is delighted to count John and Nancy and the Kelleher Ford brand as strong supporters of student success here in our hometown.

Connor, Clark & Lunn Financial Group

Vancouver-based Connor, Clark & Lunn Financial Group's recent donation of \$100,000 to Brandon University marks the strengthening of a long-standing partnership. This gift establishes the *Connor, Clark & Lunn Scholarship-Bursary in Business Administration*. This award will support a full-time Business Administration student at a value of approximately \$4,500 annually on the basis of both demonstrated academic achievement and financial need.

Heathbridge Capital Management Ltd.

With a recent commitment of \$40,000 toward an existing endowment fund at Brandon University, Toronto-based Heathbridge Capital Management Ltd. is opening more doors for BU Music students with the *Heathbridge Capital Management Ltd. Scholarship in Jazz Studies*. With this addition to the fund, as well as matching dollars from the Manitoba Scholarship and Bursary Initiative, an annual award of approximately \$4,500 will be available to a deserving Jazz Performance student at BU.

Good News

Awards Reception

A wine and cheese reception was held on March 25, 2014 in honour of award donors and student recipients. More than 300 guests were in attendance to celebrate the approximately \$1,250,000 that was given out in awards to students during the 2013-14 academic year. These scholarships and bursaries are of vital importance to our institution and to the students who receive them. They help BU recruit and retain the best and brightest students, and they reward students for academic excellence. Brandon University is grateful to the many donors who provide these generous awards.

Brandon University Healthy Living Centre Partnership Celebration

L-R: Drew Caldwell – Brandon East MLA, Shari Decter Hirst – Mayor of Brandon, Dr. Deborah Poff, Larry Maguire – Brandon-Souris MP

In recognition of the generous funding support from the Government of Canada, the Province of Manitoba and the City of Brandon, the Brandon University Healthy Living Centre Partnership Celebration was held on Friday, February 14, 2014 to mark the significant collaboration that made the new facility's construction possible. The levels of government

contributed \$5.31 million, \$5.31 million and \$1.88 million respectively for a total contribution of \$12.5 million. BU staff, students, HLC users and fellow donors were in attendance to celebrate this achievement and to show their appreciation for this investment in the community. The HLC promotes healthy living at Brandon University and welcomes area residents to enjoy newly enhanced health and wellness opportunities. The new facility revolutionizes BU's programming potential and will enhance student recruitment and retention.

New Athletic Award at BU

Brandon University is pleased to announce the creation of a new scholarship for female athletes, through a \$10,000 gift by BU alumnus Brian Pallister, Leader of the Progressive Conservative Party of Manitoba and Member of the Legislative Assembly for Fort Whyte. The *Pallister Women's Athletic Award* will be awarded to a member of one of the Bobcats Women's teams on the basis of athletic promise. Mr. Pallister's donation is being matched by the Manitoba Scholarship and Bursary Initiative, generating an annual scholarship of approximately \$900.

"As a father of two girls, I know how important it is to support female athletes," says Pallister. "My wife, Esther, and I have both benefited greatly from the joy of sport and wanted to share that joy with others."

"Brian Pallister has been donating to sport at Brandon University for over a decade," says BU President and Vice-Chancellor Deborah Poff. "He credits his days playing for the Bobcats as a catalyst for his future success in business, public life and his personal life."

Jerry & Marnie Hemmings Award

Jerry and Marnie Hemmings have established a new endowment fund to support deserving male and female basketball players at BU. Jerry is a former BU basketball player who was named the team's Most Valuable Player as well as the BU Male Athlete of the Year in 1971-72. He is a BU Professor, Coach Emeritus and former long-time coach of the BU men's basketball team from 1974 until his retirement in 2004. During his tenure, his teams won 734 games and qualified for the CIS national championship 19 times. The establishment of the *Jerry and Marnie Hemmings Award* coincides with the 25th Anniversary of the BU men's basketball team winning three straight national titles—in 1987, 1988, and 1989—a feat accomplished by only three Canadian schools. They also won the national championship in 1996, all under Coach Hemmings' leadership. Marnie, a Lakehead University graduate and former teacher with the Lakehead Catholic School Board, studied at Brandon University from 1980-1982. She later worked as a registered nurse at the Brandon General Hospital/ Brandon Regional Health Centre from 1982 until her retirement in 2010. Their award will support student athletes who best exemplify leadership in basketball and scholastic accomplishment. Preference will be given to students in the Bachelor of Education After Degree Program who have completed the Bachelor of Physical Education Studies degree or students in the Bachelor of Physical Education Studies degree program. Support for BU basketball players from Coach Hemmings will continue in perpetuity through this award. Gifts in support of this endowment can be directed to the Department of Institutional Advancement. Call (204) 727-7374 or toll-free 1-877-282-4483 for more information.

Legacy Giving

The A. E. McKenzie Legacy Society

The A. E. McKenzie Legacy Society recognizes the leadership of the generous donors who have established a Legacy Gift for Brandon University. It is named in honour of Albert Edward McKenzie, the first person to leave a legacy gift to Brandon University.

Given at the height of the Depression in the 1930's, this gift saved the University from certain closure. Since that time, many others have given generously through gifts in their will to Brandon University, and have helped to make our institution what it is today.

Legacy Gifts offer many advantages to both the donor and the University. They make a significant impact on future generations of students at BU, allow the University to plan ahead with confidence, and can offer significant tax advantages to donors and/or their estates.

Those who have established a Legacy Gift are encouraged to advise us of their plans. We can then discuss wishes and intentions with the donor and can thank and recognize them for their generosity.

A Legacy for Chemistry Majors

Chemistry students at Brandon University will have the chance to receive one of two very generous awards thanks to an estate gift established by Dr. Bruce Forrest. *The Dr. Bruce and Mrs. Jane Forrest Scholarships for Honours/Majors Chemistry* will provide a minimum of three awards of \$10,000 - \$15,000 each for full-time chemistry majors entering their second, third and fourth years. *The Dr. Bruce and Mrs. Jane Forrest Scholarship for Physical Chemistry* will provide a \$1,500 award to the student with the highest combined standing in Physical Chemistry I and II. Established as endowments, these awards will continue to provide funding for deserving students in perpetuity.

Dr. Forrest was member of the Department of Chemistry at Brandon University from 1986 until his illness from cancer led to his medical leave in 2010. His research focused on the use of Nuclear Magnetic Resonance Spectroscopy to determine the structure of biological membrane systems, an area in which he was internationally renowned.

Dr. Forrest lost his battle with cancer on October 9, 2013. He will long be remembered for his dry wit and assurance of academic rigor, and by this wonderful legacy that he has created for chemistry majors.

Order of the Sheaf

For over 100 years
Brandon University has received an
enormous amount of financial and
volunteer support from individuals
and organizations.

We thank you.

The Order of the Sheaf is an honour society that recognizes those whose financial support has helped to ensure the advancement and quality of higher education at Brandon University.

This year we are pleased to report that 59 new members have been inducted into the Order of the Sheaf and 22 members have advanced to a higher philanthropic level. Membership in the Order of Sheaf begins automatically when a donor reaches a cumulative gift level of \$1,000 or more and recognition levels are based on a donor's total contributions to Brandon University.

Names listed in bold and italics advanced to a new level of recognition in 2013; those listed in bold indicate that the donor is new to the Order of the Sheaf. Donors with an asterisk (*) following their name have made an estate gift; those with a square (■) following their name have made both personal and estate gifts.

Every effort has been made to ensure that this report is accurate and complete. Please report any errors or omissions to the Department of Institutional Advancement at 204-727-7374, toll free at 1-877-282-4483 or via email at development@brandonu.ca.
