

# Brandon University Foundation

2016 ANNUAL REPORT

**BRANDON  
UNIVERSITY**

**FOUNDATION**

## GREETINGS FROM THE BU PRESIDENT

This Annual Report reflects an outstanding year at Brandon University: More than 700 students benefited from your generosity and the efforts of the Foundation by receiving nearly 1,200 awards throughout the 2016–17 academic year. In 2016, the Foundation provided more than \$1.4 million in scholarships and bursaries to students, plus more than \$1.1 million in grants to faculties, research and equipment. Recent changes by the provincial government to the Manitoba Scholarship and Bursary Initiative will allow us to provide even more assistance to students next year. Your gifts help, too. This past year, contributions to the BU Foundation totalled nearly \$2.3 million, including 17 new endowment funds. This investment in the future of students and the university will support the growth of Brandon University and the development of a new generation of students.

This year overall enrolments increased by six per cent, with graduate student enrolment up 30 per cent. The quality

of our education is enhanced with Mr. Curt Shoultz as Director for the Centre for Teaching, Learning, and Technology and Dr. Dean Care as Associate Vice-President (Teaching and Learning). Research accomplishments were plentiful this year with a total of \$6 million in federally funded Tri-Agency research grants awarded to faculty and staff. Research has also been supported by Ms. Kerry Murkin in the Research Office and Dr. Heather Duncan as Associate Vice-President (Research). At a community level, Brandon University has taken significant steps toward establishing a downtown campus with innovative and cost-effective public-private partnership arrangements planned. This will support community revitalization and benefit students and seniors through new residence facilities; provide opportunities for new collaborative academic programs; and house new commercial ventures.

In the coming year, we will build on these successes by moving ahead on priorities of academic excellence, supporting student success and contributing to our community's social and economic development. The Foundation will continue to play an integral role.

Brandon University makes a significant contribution to the region's economic activities. Our faculty, staff and students work on numerous projects with not-for-profit and business enterprises to support their success and competitiveness. The value of these contributions is evident, from the YWCA Women of Distinction Awards to the Brandon Chamber of Commerce awards – where Brandon University is consistently mentioned in connection

with many of these award recipients. Again, support from the Foundation over the years is a part of this success.

The economic impact of BU is not just a measure of how much our faculty, staff and students spend in the provincial economy, but also the improved amount one earns with a BU degree, and also the value we add through research and innovation. The value for money proposition of the University is outstanding. Additionally, BU contributes community-building and citizen engagement through the good work of students, faculty and staff. Many BU graduates meet immediate labour market needs. Many also start new businesses, develop innovative new products, and support the talent pool that leads to the attraction of new investments to the province. Like our alumni, today's Brandon University students are flexible and resourceful – they are preparing for the jobs of today and tomorrow.

The Foundation is a vital part of Brandon University, allowing the University to advance post-secondary educational opportunities to students and inspiring faculty and staff to further support community and business development across the region. The 2016 performance of the Foundation is to be applauded.

Sincerely,

A handwritten signature in black ink, which appears to read "Gervan Fearon". The signature is fluid and cursive.

**Dr. Gervan Fearon**  
**President and Vice-Chancellor**

# GREETINGS FROM THE BU FOUNDATION PRESIDENT

I am finally starting to really understand how important it is that we support the students who attend Brandon University. I went to school for many years, I have been involved at the University for many more, and I have always understood that we had a responsibility to give back. Now, I have one child attending university (yes it's Brandon University) and another about to leave high school and make his way further west for his post-secondary education.

The first lesson of my newfound understanding came when I fully realized the breadth of the expense. Yes, I knew it was going to cost a fair amount but it never really sinks in until you are actually paying those costs. Students have been fortunate in Manitoba for quite

a while now with lower tuitions than those in out-of-province institutions, but the cost of housing, transportation, and food have all risen significantly.

When you have children in or about to go to university you become a part of two new conversation groups. The first group is the parents of children who are in the same position as yours. Yes, I know there have always been parents of children attending university, but I never really understood what they were saying until my children caught up to theirs. The second group are the students themselves, either at university or in their final years of high school. When your kids are part of this group you hear them talk about their plans and the challenges they face in reaching them. Being a part of these two conversation groups has been the second and far more important part of my education as to the importance of supporting students.

The average Manitoba family simply can't afford to put enough money away to pay for university education for their children. I hear from parents that they do what they can, but that they or their children are going to have to go into debt to go to university. I hear from the students how much they fear taking on a big debt, and that some of them downgrade their educational aspirations due to financial constraints.

That, I believe, is a real shame and it is where you, the supporters of advanced

“You have helped in the past, help now in the present, and hopefully will continue to help in the future to fill these gaps so that more young people are given the chance to advance their education and realize their dreams.”

education at Brandon University, come in. You have helped in the past, help now in the present, and hopefully will continue to help in the future to fill these gaps so that more young people are given the chance to advance their education and realize their dreams.

So, on behalf of all of us at the Brandon University Foundation, and more importantly on behalf of the families and of the students you are supporting when you support us, THANK-YOU.

Sincerely,

A handwritten signature in black ink that reads "Jeff Cristall". The signature is written in a cursive, slightly slanted style.

**Jeff Cristall**  
**President, Brandon University**  
**Foundation**

**Brandon University Foundation was incorporated in 1980 to promote the advancement of higher education at Brandon University and improve the quality of its facilities and activities. Since its inception, the BU Foundation has helped to raise and continues to steward more than \$60 million.**

## More than \$107,000 raised through Annual Fund

Thanks to the generosity of BU alumni and friends, \$107,475 was contributed through the Annual Fund in 2016. Donors to this appeal may direct their gift to any area of interest on campus. Some have chosen to support the area of greatest need, and others, a particular faculty, program, or scholarship. All of these gifts allow us to enhance programs and services for students.

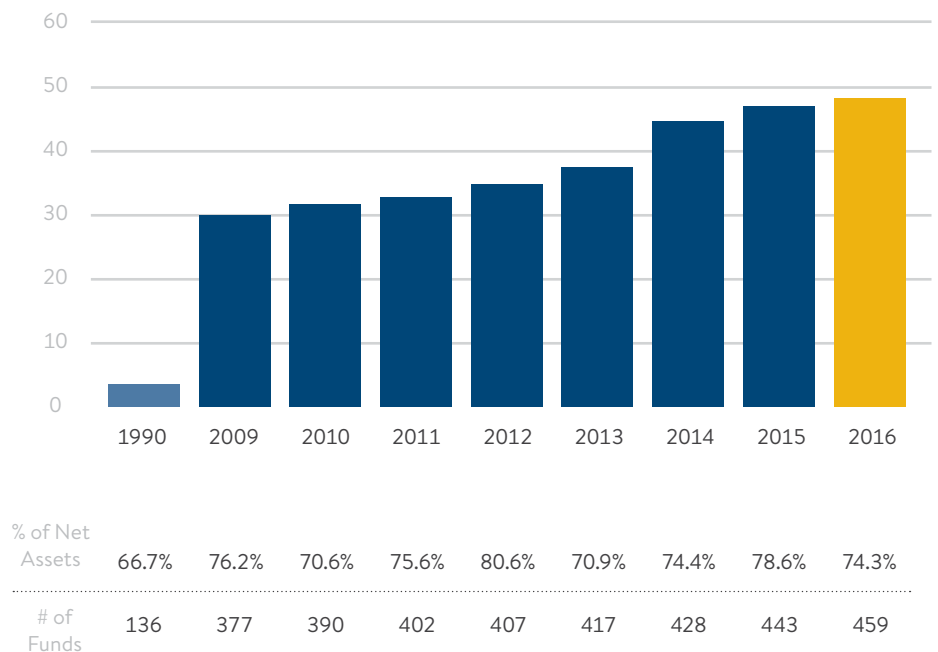

- General Campaign
- Faculty of Education
- Scholarships and Bursaries
- Faculty of Arts
- School of Music
- Other
- Faculty of Science
- Faculty of Health Studies

## New Endowments in 2016

- Brandon Volleyball Club Men's Volleyball Award
- Cats Volleyball Club Women's Volleyball Award
- Kelvin Colquhoun Memorial Physics Scholarship
- Delamater-Wood 50th Anniversary Scholarship
- Steve Dzubinski Student Athletic Therapist Award
- Len Evans Memorial Scholarship
- Jean M. Ford Memorial Scholarship-Bursary in Voice
- Norma June Freeman Memorial Nursing Bursary
- Norma June Freeman Memorial Psychiatric Nursing Bursary
- Cordell Grant Memorial Bursary
- Heidi and Scott Howarth Music Scholarship
- Alice Hurd Endowment for Vocal Training and Choral Ensembles
- Helen Jones Scholarship-Bursary in Nursing
- Heather Macdonald Women's Volleyball Award
- Norman MacLeod and Gordon Macleod Scholarship
- Dr. Bill Paton & Mrs. Eileen Paton Scholarship in Voice
- Schira Haddow Award for Soccer Excellence

## Endowment Funds (in millions)

# Supporting Students

## New bursary commemorates renowned heart surgeon

Brandon University lost alumnus and friend Dr. Jim Parrott in October 2016. Raised in Oak Lake, Man., in the years following World War II by a single mother on social assistance, James (Jim) Parrott persevered to graduate from Brandon College in 1964, becoming a distinguished heart surgeon, medical teacher and politician. His career accomplishments include a research fellowship at Stanford University, being head of cardiac surgery at the Health Sciences Centre in Winnipeg, and starting the New Brunswick Heart Centre. In 2010, Dr. Parrott was elected to the Legislative Assembly of New Brunswick and in 2015 he was presented with the BU Alumni Wall of Fame Award.

Dr. James (Jim) Parrott

In a past interview, Dr. Parrott recalled, “I didn’t have the money for my second year of tuition...fortunately, the Science Dean, Dr. Henry Stewart Perdue, heard about my situation and pulled together the cash.” He added that he became the first in his family to obtain a university degree.

In keeping with this theme of helping others to achieve their education, the Dr. Jim Parrott Memorial Bursary will be

awarded on the basis of financial need to a Biology major, with preference to a student in the Biomedical Science stream.

Friends and former classmates are welcome to contribute to the fund. Gifts may be made online at [BrandonU.ca/Give/Donate](http://BrandonU.ca/Give/Donate), by phone at 204-727-7374 or toll-free at 1-877-282-4483, or made out to Brandon University Foundation and mailed to 270-18th Street, Brandon Manitoba, R7A 6A9.

## Voice scholarship honours memory of Professor Emeritus Dr. Bill Paton

Dr. William (Bill) H.N. Paton joined BU’s Department of Botany (later Biology) in 1974, teaching for 40 years before his retirement in 2014. Although he was a scientist, Paton’s love for music started at an early age singing in a boys’ choir. This love continued throughout his life, and he later became a long time member of local choirs Prairie Blend and Bel Canto. The Dr. Bill Paton and Mrs. Eileen Paton Scholarship in Voice was established after his sudden passing in 2016 and honors his life-long love of singing. The scholarship will provide approximately \$475 annually to a promising voice student in the School of Music.

Bill Paton

## Kelvin Colquhoun Memorial Physics Scholarship

Brandon native Kelvin Colquhoun, a Physics and Mathematics major, graduated with honours from Brandon University in 1990. He married the love of his life, fellow BU graduate Melanie (nee Caryk) ’90, in 1989 and their son, Jarod, was born in 1997.

Kelvin enjoyed a successful career as a professional geophysicist starting with Shell Canada in 1990 and then Apache Canada in 1999. He was passionate about his profession. A lifelong learner, he devoured technical journals and took courses to stay on top of the latest developments in his field. Over the years, he mentored several colleagues and contributed to several major discoveries.

He loved to travel, ski, golf, trap shoot, mountain bike, hike

Kelvin & Melanie Colquhoun at Panorama, B.C.

and play guitar. Later in life he obtained his pilot’s license and amassed hundreds of hours flying.

Kelvin passed away in July of 2016 at the age of 47 following a battle with cancer. He will be remembered through the Kelvin Colquhoun Memorial Physics Scholarship, which will provide approximately \$1,350 annually to an outstanding major in Physics.

## BU alumnus provides funding to bring Syrian student to BU

Russell '65 and Corinna Lusk wanted to do something to assist Syrian refugees. Through World University Service of Canada (WUSC), and BU's local WUSC committee, which was already sponsoring three students to come to BU in 2016, they committed to providing the funds to bring a fourth student. Originally from Daraa, a city in Syria near the border with Jordan, Rakan Al shblak is studying English literature with plans for graduate school.

"It is the best chance ever I could think of to be accepted by a university in a Western country known for its high-quality education," Al shblak says.

The Lusks' gift of \$16,900 will cover all of the expenses incurred by the WUSC student such as travel to Brandon, books and school supplies, a laptop, clothing, towels and toiletries, winter wear, emergency funds and a monthly allowance. The costs of tuition, residence, and meals are covered by the University.

"We were of the view that the presence of refugee students would also benefit BU students by providing them with an

## Trio of athletic awards created in support of BU Bobcat athletes

BU women's soccer team coaches Scott Haddow, Rainer Schira and Sarah Schira have established an athletic award for women's soccer players. The Schira Haddow Award for Soccer Excellence will be awarded to team members who commit and contribute to personal, team, and program excellence.

The Cats Volleyball Club Women's Volleyball Award has been created by the Cats Volleyball Club, a Brandon club that encourages young females to pursue their dreams and set goals for their future. Their award will be given annually to a Bobcat women's volleyball player with preference to a student-athlete who participated with the Cats Volleyball Club prior to attending BU.

The Brandon Volleyball Club, which provides the opportunity for boys in Western Manitoba to develop their interest in volleyball with the goal to continue playing the sport at the post-secondary level, has created the Brandon Volleyball Club Men's Volleyball Award. It will be awarded to Bobcat men's volleyball players, with preference to student-athletes who participated in the club prior to attending BU.

BU WUSC students and BU President Dr. Gervan Fearon with donor Russell Lusk '65 (third from right) and the student he sponsored from Syria, Rakan Al shblak (second from right).

opportunity through association to broaden their outlook and education by learning of the students' particular experiences and perspectives," Russell says.

The Lusks have since extended their commitment to sponsoring an additional WUSC student, who will arrive at Brandon University in the fall of 2017.

See the full story on pages 14-15 of BU's *Alumni News* Winter 2016-17: [BrandonU.ca/Alumni/Magazine](http://BrandonU.ca/Alumni/Magazine)

Bailey the Bobcat

The gifts to these new awards have been matched by the Manitoba Scholarship and Bursary Initiative, and will provide approximately \$450 for each recipient.

"These three new athletic awards will play an important role in supporting our teams in the future. The Athletics program looks to recruit exceptional student athletes and the ability to provide financial support is critical to the success of Bobcat teams," says BU Athletic Director, Russ Paddock.

# Legacy Giving

## Couple honours family with not one, but two legacy gifts

Rev. Dr. Warren McKinnon, who received his Bachelor of Arts from Brandon College in 1962, and his wife, Janice Waud Loper, believe in legacy giving. So much so, that they have established a second legacy gift for Brandon University. Years ago Dr. McKinnon worked with BU's Office of Advancement on pre-planning the Clarissa Elma McKinnon Scholarship in Music in honour of his late mother, who wrote music, played the piano and was the organist of their family's church. The scholarship would be funded by a bequest in his will. In 2015 the couple decided to establish an endowment so that the scholarship could be given out now, and then increased later upon receipt of the bequest. The first scholarship was awarded in memory of Warren's brother, Frank McKinnon in 2015.

Recently, they established a second bequest in honour of Warren's father, Charles John McKinnon, a farmer with a faith-driven conscience who believed in the worth of rural communities and lived that belief through tree planting to combat erosion, coaching baseball and hockey, writing a weekly column for the *Carberry News Express*, and celebrating the rewards of farming with the words, "the harvest rush is on!" When realized, this bequest will be used to establish the Rural Route Fund, an endowment to support research on sustaining Rural Communities done by BU's Rural Development Institute and Department of Rural Development.

Rev. Dr. Warren McKinnon and Janice Waud Loper

Warren with his mother, Clarissa Elma McKinnon

Warren with his father, Charles John McKinnon

Dr. McKinnon serves as a minister in the United Church of Canada, and Ms. Loper works in the fund development field. Although they reside in Vancouver, their thoughtful pre-planning will leave a legacy in honour of the McKinnon family and their rural Manitoba roots.

"Creating our legacy proved to be an unexpected joy and a deeply fulfilling process. Legacies are not about dying, they are about living," says Janice.

## Nursing students to benefit from legacy gift in memory of Norma June Freeman

Norma June Freeman was born in 1932 in Franklin, Man. In 1955 she graduated from the Brandon General Hospital Nursing program, the precursor to the present-day nursing programs at BU. She went on to become an operating nurse specializing in both eye and open-heart surgeries and provided aid to assisted-living patients at the Eisenhower

Hospital in Palm Desert, Calif.

She married David George Wilton. Through a gift of stock valued at \$15,400, their daughter, Christy Ann Fitzpatrick, has established two awards in her mother's honour, the Norma June Freeman Memorial Nursing and Psychiatric Nursing Bursaries. This contribution has been matched by the Manitoba Scholarship and Bursary Initiative. Fitzpatrick has also established a bequest which will provide additional funds for these awards in the future, with the intention that each of the bursaries will provide the funding required for a student's tuition, books and housing.

Norma June Freeman

## New endowment will support vocal training and choral ensembles

Thanks to a bequest from Mrs. Alice Hurd, Brandon University School of Music is the recipient of an endowment fund of more than \$50,000. Hurd was born in 1921 in Darlingford, Man., where her father operated the general store. She began working for Investors Syndicate in Winnipeg in 1949 and

remained there for 25 years. Music was a very important part of Alice's life, and she claimed to have learned to sing before she could talk. She was a member of the Winnipeg Philharmonic Choir and the Westminster United Church Choir and was also a proficient pianist. When she found herself lost for words she could always express herself in song, often composing on the fly. The Alice Hurd Endowment for Vocal Training and Choral Ensembles will honour this love of music in her memory.

Mrs. Alice Hurd

# The A. E. McKenzie Legacy Society

The A. E. McKenzie Legacy Society is named in honour of Albert Edward McKenzie, the first person to leave a legacy gift to Brandon University. Given at the height of the Depression in the 1930s, his gift saved the University from certain closure. Since that time, many others have given generously to Brandon University through gifts in their will, gifts of life insurance, or other legacy giving methods, each making a significant impact on our institution. We are pleased to recognize these individuals as members of the A. E. McKenzie Legacy Society.

# Order of the Sheaf

For more than 100 years,  
Brandon University has received an  
enormous amount of financial and  
volunteer support from individuals  
and organizations.

**We thank you.**

The Order of the Sheaf is an honour society that recognizes those whose financial support has helped to ensure the advancement and quality of higher education at Brandon University.

This year we are pleased to report that 41 new members have been inducted into the Order of the Sheaf and 25 members have advanced to a higher philanthropic level. Membership in the Order of Sheaf begins automatically when a donor reaches a cumulative gift level of \$1,000 or more and recognition levels are based on a donor's total contributions to Brandon University.

Donors listed in ***boldface italics*** advanced to a new level of recognition in 2016; those listed in **boldface** indicate that the donor is new to the Order of the Sheaf. Every effort has been made to ensure that this report is accurate and complete. Please report any errors or omissions to the Office of Advancement and External Relations at 204-727-7374, toll free at 1-877-282-4483 or via email at [Advancement@BrandonU.ca](mailto:Advancement@BrandonU.ca).
