BRANDON | FOUNDATION
UNIVERSITY

GREETINGS FROM THE BU INTERIM PRESIDENT

The final graduating class of Brandon College attended Convocation in 1967, and last fall those graduates got back together again to celebrate their 50th anniversary during Homecoming 2017 in Brandon. This October, for Homecoming 2018, Brandon University will welcome back its first graduating class—the Class of 1968—to celebrate its own 50th. In the year between those two Homecomings, BU is commemorating fifty years of autonomy as a degree-granting institution in its own right. That's fifty years of students graduating with BU degrees, fifty years of research, and fifty years of community service from this academy. Since 1980, when it was first established and incorporated, the Brandon University Foundation has been with us every step of the way, stewarding the funds given by donors to support the University and disbursing its earnings to assist our students, faculty and staff in fulfilling our unique mission to serve this region and this province.

It is comforting to know that generations of students have been able to rely on friends of the University to support them

financially in their studies, through the BU Foundation. The pages of this report will show you that more than half of the Foundation's annual disbursements go directly to students in the form of scholarships and bursaries – this year totalling almost \$1.5 million. The number of students at BU is growing rapidly, and within a few years we will likely surpass the mark set in 1992 for our highest enrollments ever. The net assets of the Foundation are growing, too: thanks to the careful stewardship of its Board, the total has exceeded \$70 million for the first time.

“It is comforting to know that generations of students have been able to rely on friends of the University to support them financially in their studies, through the BU Foundation.”

That growth is not slowing down. Donors continue to give generously, and many have stepped up during this anniversary year to show their faith in the future of this institution and our students. The brand-new scholarship endowments that have been created this year in each of the Faculties and the School of Music will pay out to students not just now but year-after-year, forever! Some of them are highlighted in this report.

Every part of our University is augmented and improved by the financial support of donors channeled through the BU

Foundation. From contributing to the operations of essential units, to novel student and faculty research, to conference-hosting and travel, to new equipment and Library resources, to musical instruments and much needed building renovations, the Foundation's efforts truly touch everyone.

Another new endowment created this year, the Brandon College Heritage Fund, will provide ongoing support to BU's efforts to preserve and celebrate its past, most notably the initiatives of the S.J. McKee Archives. Yet another new fund will support the George & Mary Gooden Gallery of Art. Without these sorts of thoughtful additions to the Foundation's repertoire of financial instruments, this University would be a much-lesser place.

Brandon University is now preparing for the arrival of a new President. It has been my great honour and pleasure to serve in the interim and to do my part as best I can to facilitate and further all the projects and ambitions of this institution and its diverse people. As we reflect back on fifty years of growth and achievement, we collectively turn our gaze forward to the fifty years ahead of us and contemplate the challenges we will face and the many new demands that the future will place on us. The Brandon University Foundation is a large part of how we will find success in meeting those challenges and demands. Together our future is bright.

Sincerely,

A handwritten signature in black ink, appearing to be 'S. Robinson', written over a light grey circular background.

GREETINGS FROM THE BU FOUNDATION PRESIDENT

This year marks the 50th anniversary of Brandon University receiving our charter as an independent institution, separate from the University of Manitoba, and previously McMaster University. Members of the class of 1968 were the first to receive their degrees from BU. My wife Lana and I were in that class so I guess it is fitting that I am writing this message now. We certainly have a great attachment to BU and have watched it grow and flourish since then. I am honored to have some small role in this anniversary as President of the BU Foundation.

As you will see in this report, there are wonderful stories of commitment

and support from many people who recognize the importance of Brandon University to the people of this area, this province, and this country—both in the past, the present, and in the future.

The Foundation has had a very successful year in support of the University. We have concluded a revision of our Tripartite Agreement between the BU Board of Governors, the BU Alumni Association, and the BU Foundation, which defines each group's roles and responsibilities. It will be a very useful and effective guide for all future members.

You will also note in this report a very solid financial picture. The assets held by the foundation are now over \$72 million, which is an increase of about \$5.5 million from last year—thanks to generous contributions from donors and excellent returns on our investments. The subsequent disbursement to BU was more than \$2.6 million, of which nearly \$1.5 million went to scholarships and bursaries. Both of these figures are higher than the year before.

The BU Foundation is in charge of the stewardship of the funds that come in. In this, BU's 50th year, it is our hope and expectation that a number of special initiatives will see a recommitment of support from alumni, faculty,

“The assets held by the foundation are now over \$72 million, which is an increase of about \$5.5 million from last year—thanks to generous contributions from donors and excellent returns on our investments.”

administration, and the community as a whole. This 50th celebration year is a time to look back on our successes and look forward to at least as many in the coming 50!

I will take this opportunity to thank you for past support and for your ongoing future involvement in your institution.

Sincerely,

A handwritten signature in black ink, appearing to read 'W.E. Myers'.

More than \$228,000 raised through Annual Fund

Thanks to the generosity of BU alumni and friends, \$228,071 was contributed through the Annual Fund in 2017. This exceptional level of support is an outstanding way to mark the 50th anniversary of our institution, formerly Brandon College, receiving its charter as a university in 1967. It also represents more than double the amount raised in 2016.

Donors to this appeal may direct their gift to any area of interest on campus. Some have chosen to support the area of greatest need, and others a particular faculty, program, or scholarship. This support is vital in keeping BU vibrant and in providing a great experience for our students.

Celebrating 50 Years

Founded as Brandon College in 1899, BU received its charter as a university in 1967, and is spending the 2017-18 year celebrating this 50-year milestone. To mark the occasion, the 50th Fund is offering donors an opportunity to give to any of the University's faculties (Arts, Education, Health Studies and Science) or the School of Music. To date \$32,990 has been raised.

A number of donors have also contributed to the new Brandon College Heritage Fund. Spearheaded by George '62 and Patricia '63, '64 Hickling, this fund will support the preservation of the history and archives of the College. Thanks to their generous gift, and contributions from fellow alumni, this fund is already well established with a balance of more than \$13,000.

Commemorating the Class of '65 and Class of '67 with Student Awards

Alumni Mitch and Anne Taylor, Russell Lusk, Treva and Laurie Ricou, and Don Sherritt have spearheaded an initiative to establish the Class of '65 Scholarship-Bursary. Joined by a number of fellow alumni, the Class of '65 has to date contributed nearly \$50,000 in support of this endowed fund. Approximately \$2,200 will be awarded annually to entering students who have all of the academic requirements to study at BU, but perhaps not the financial means to do so.

The Class of '67 was the last graduating class of Brandon College. In celebration of the 50th anniversary of their graduation, alumni Jim and Karen Doak and Gary and Angela Brawn have made an appeal to their classmates to contribute to the Class of '67 Bursary. This award will be given to students with financial need.

Anonymous Donors Provide Generous Birthday Gift to BU

One couple has found a fitting, and very generous, way to recognize Brandon University's 50th year.

The couple has gifted shares to the University valued at approximately \$50,000. Written on their Annual Fund donation form was, "Happy Birthday BU!"

"Brandon University is a high-quality jewel, a treasure," said one of the donors, who wish to remain anonymous.

"I wanted to honour the quality of the people at BU—the staff and faculty, as well as the students. The students are extraordinary!"

The donors have asked that \$15,000 be used to establish an endowment that will support student needs in the School of Music. The endowment will fund initiatives such as student travel, instrument repair and maintenance, practice studios and more. The remaining \$35,000 will be used to create an endowment fund to support travel opportunities and experiences for students in all disciplines across BU.

"This is a wonderful reminder that the School of Music and Brandon University are able to reach people in such meaningful ways that they make

generous donations like this," said Greg Gatien, Dean of Music at BU. "Our donors do so much to help us, support us, and inspire us. This gift means so much to our faculty and students, and will be a great help to them as they strive towards their musical goals."

The donation is one of two significant gifts made to the University specifically in honour of the 50th anniversary. Members of the BU President's Administrative Council also pledged a total of \$50,000 in response to the BU50 staff and faculty fundraising appeal.

Faculty of Health Studies Retirees Create Nursing Scholarship

Dr. Kathryn Hyndman and Dr. Fran Racher celebrated their recent retirements from BU by establishing two scholarships. After completing their science requirements at BU and then graduating from the Brandon General Hospital (BGH) School of Nursing in 1972, they became educators in BU's Faculty of Health Studies. In recognition of the longtime affiliation between BU and the BGH School of Nursing, they are collaborating with fellow alumni to launch the Brandon General Hospital School of Nursing Scholarships in Nursing and Psychiatric Nursing. To date, more than \$12,000 has been donated to the fund, with more than \$10,000 in additional matching funds from the Manitoba Scholarship and Bursary Initiative. Contributions from anyone with a connection to the BGH School of Nursing are welcomed.

Football Legacy Scholarship

During Homecoming 2017 celebrations, former players gathered for the Brandon University Bobcats/Brandon College Caps Football Reunion. Many of them contributed to the new Brandon College Caps - Brandon University Bobcats Football Legacy Scholarship. This award will be given annually to a student-athlete in good academic standing who is a returning player on a Bobcat team. The recipient must be active in the community and demonstrate strong leadership skills as a member of his/her respective team.

Legacy Giving

Engineering Success Through Education

Born in 1930 to parents who immigrated to Canada from the Ukraine, Adam Sus learned the benefit of hard work, the value of money, and the advantage of a good education. After graduating from high school in The Pas, he then became the first in his family to obtain a university degree when he received his Civil Engineering degree from the University of Manitoba. He started his Engineering career in 1952, building new railroads with the Canadian National Railroad, first in northern Manitoba, then in northern BC. He then had a short stint with Alcan building new potlines to smelt aluminum in Kitimat, BC, and then spent a year in northern Quebec building a railroad to an iron ore development for a subsidiary of U.S. Steel.

Returning to The Pas in 1960, Adam was the town engineer until his retirement in June 1990. He then joined an engineering consulting firm as a field engineer in The Pas, supervising construction of various municipal works. In 1975 he accepted

a position at Keewatin Community College in The Pas, teaching various subjects in surveying, photogrammetry, mine surveying and water surveys at both technician and technology levels. He also taught math and science for various apprenticeship courses. He enjoyed 15 years in the classroom working with young minds and instilling in them the need for a proper education. In 2001 Adam retired from his retirement job and moved to Brandon where he continued his membership with the Rotary Club.

Adam valued education and community service. In addition to contributions made to many other charities, he established the Adam Sus Bursary in Computer Science at BU in 2004. He also established a bequest for Brandon University which has been received following his passing in November 2016. Thanks to his thoughtful and generous pre-planning, he has directed \$15,000 to equipment purchases, and an additional \$25,000 to his existing bursary.

Bequest Will Support the George and Mary Gooden Gallery of Art

For more than 47 years, George and Mary Gooden contributed to the betterment of Brandon University. George played a key role in the creation of the BU Foundation and was one of its founding members in 1980. He became President of the Foundation in 1989 and remained an active member of the board until he was 89 years of age, just a year before his passing in 2011. He also served the University as President of the Alumni Association and Chair of the Board of Governors. Both George and Mary were instrumental in organizing and hosting annual alumni events in Victoria, BC. With Mary's support, George actively served on every Brandon University Campaign Cabinet, assisting in raising funds to promote the advancement of higher education at BU.

Both George and Mary were associates of Brandon College, 1942. George later

George and Mary Gooden

returned to earn his Bachelor of Arts degree in 1964, and was awarded an Honorary Doctorate in 1993.

Highly respected members of the Brandon community, George and Mary were generous in giving their time to a large number of organizations

representing educational, business, civic, arts, religious and philanthropic activities. They managed this all while running Gooden's Menswear, Gooden's Ski Shop, and Staircase Canadiana, the art gallery that Mary, an accomplished potter, opened in 1975. In 2012 Mary was awarded the Queen's Jubilee medal for her support to the local arts community. In 2004, Brandon University recognized Mary and George's contributions and dedication with the naming of the George and Mary Gooden Gallery of Art in the Health Studies building at BU.

Prior to their passings (George in 2011 and Mary in 2017), they established a bequest to fund an endowment in support of the George and Mary Gooden Gallery of Art. This fund will be instrumental in helping offset the costs of art shows and general upkeep of the gallery.

The A. E. McKenzie Legacy Society

The A. E. McKenzie Legacy Society is named in honour of Dr. Albert Edward McKenzie. The owner of a Brandon seed firm, he headed up a committee of the Chamber of Commerce in the 1930s whose task it was to keep the College open, often traveling with the College President, Dr. J. R. C. Evans, to help raise much-needed funds. He was the first person to leave a legacy gift to the institution, which, given at the height of the Depression, saved the institution from certain closure.

Many other donors have since given generously to Brandon University through gifts in their will, gifts of life insurance, or other methods of legacy giving, each making a significant impact on our institution. We are pleased to thank and recognize the following members of the A. E. McKenzie Legacy Society.

Order of the Sheaf

For more than 115 years, Brandon University has received an enormous amount of financial and volunteer support from individuals and organizations.

We thank you.

The Order of the Sheaf is an honour society that recognizes those whose financial support has helped to ensure the advancement and quality of higher education at Brandon University.

This year we are pleased to report that 43 new members have been inducted into the Order of the Sheaf and 33 members have advanced to a higher philanthropic level. Membership in the Order of Sheaf begins automatically when a donor reaches a cumulative gift level of \$1,000 or more. Recognition levels are based on a donor's total contributions to Brandon University.

Donors listed in ***boldface italics*** advanced to a new level of recognition in 2017; those listed in **boldface** indicate that the donor is new to the Order of the Sheaf. Every effort has been made to ensure that this report is accurate and complete. Please report any errors or omissions to the Office of Advancement and External Relations at 204.727.7374, toll free at 1.877.282.4483 or via email at Advancement@BrandonU.ca.
