**BE AGILE • BE COURAGEOUS • BE INCLUSIVE**

## GREETINGS FROM THE BU PRESIDENT

### **This is an exciting and rewarding time of year, for me, and for many of us at Brandon University.**

Our faculty, staff and students are looking back with pride at an academic year filled with hard work and tremendous accomplishments. The arrival of spring brings a revitalization as we look forward to the opportunities that lie ahead of us. This is certainly true for our Class of 2023, celebrating the conclusion of one chapter and the beginning of another.

Optimism is also a common thread throughout our new Strategic Plan, introduced just last year, as we embrace the challenge of being Canada's Finest Regional University. A defining symbol in our Strategic Plan is a braid, with its intertwining strands of Students, Community, and Faculty & Staff building a strength much greater together than any strand could have on its own.

We use the word "community" a lot at BU, because we all know we are part of something bigger than ourselves. Community can refer to our actual location, of course, but also to the people who make BU so special. People like you.

We are fortunate to be part of such a generous community. In this report you will read about incredible alumni like Bill Friesen (page 7) and Dr. Angus Jukes (page 9), who have leveraged their personal success into gifts back to the community that will benefit BU students for years to come. But it doesn't take a significant individual gesture to make a difference. On page 8 you can read how the leadership of the Southern Chiefs' Organization, in partnership with Corpell's Water, allowed each of us to make a small contribution to the success of First Nations students every time we went to the store to buy water.

The ability to accomplish great things together is at the heart of our Strategic Plan. In fact, the plan's gifted name, *Mamaawii-atooshke aakihkiwiin* means "working together and growing" in the Michif language. Helping your generosity make the greatest possible impact on our students takes a team effort by members of our community, notably our Development team, who work hand-in-hand with our donors to ensure that your gifts are directed in ways that are meaningful for you and beneficial for our University and students. I would also like to thank our Foundation board members, a dedicated group of volunteers who steward assets valued at more than \$73 million dollars, with annual disbursements of more than \$3 million. I want to thank outgoing Foundation President Dwight Conroy for his outstanding commitment over the past two years, and I look forward to working with incoming President Tilda Fortier.

The majority of our Foundation disbursements go directly to students through scholarships and bursaries, but your support is important to all manner of BU activities. In 2022 we made some notable additions to our campus, including a new ceremonial

fire pit, as well as the installation of a striking and thought-provoking 27-foot sculpture by Kevin McKenzie, of our IshKaabatens Waasa Gaa Inaabateg Department of Visual Art. The sculpture, called "Healing Together," honours Truth and Reconciliation. We have also taken steps to make our campus more inclusive, including the painting of a rainbow Pride crosswalk between Harvest Hall and the John E. Robbins Library.

This past year, with support from our donors, we were able to support our Ukrainian community, providing a gathering space for people to rally and educational opportunities for three Ukrainian refugees displaced by the Russian invasion, with more expected this fall.

We also built a tremendous buzz with the addition of two urban bee hives on the roof of Harvest Hall. Led by faculty and staff, and aided by a local apiarist, the Bee U project has already taken flight, producing more than 100 kg of honey that has been used by our Food Services and allowed us to give back to our community through contributions to local food banks, including the Brandon University Students' Union food bank.

Already in 2023 we are continuing to build these community connections while maintaining our commitment to the excellence in teaching, research, creation and scholarship that is at the core of what we do. I'd like to thank you for your support for these goals, and I'm excited by what we can build together.

Sincerely,

A handwritten signature in black ink that reads "David Docherty". The signature is fluid and cursive, with a large, stylized 'D' at the beginning.

# GREETINGS FROM THE BU FOUNDATION PRESIDENT

As President of the Brandon University Foundation, I am honoured to share some of the highlights from 2022. Our Foundation exists to support the mission of Brandon University: to provide excellence in education, research, and community service. We are committed to working closely with the University to help provide students with access to the resources they need to succeed, and to support faculty and staff in their efforts to advance knowledge and contribute to society.

I am inspired by the dedication of our community for the support of the Foundation. In 2022, more than \$250,000 was raised through the Annual Fund Appeal and more than \$3.2 million was disbursed to the University. Of the amount disbursed, 60 per cent went directly to financially supporting students in the form of bursaries and scholarships.

Volatile markets temporarily dropped our total Foundation assets but the goal of providing ongoing financial support remains intact.

I want to express sincere gratitude to all our donors, supporters, volunteers, and partners who have helped make our work possible. Your generosity and commitment are essential to our success, and we are deeply grateful for your ongoing support.

As we look ahead to the future, I am confident that together we can continue to achieve great things. With your support, we can ensure that

Brandon University remains a beacon of academic excellence, innovation and social responsibility for years to come.

Thank you for your commitment to our Foundation and to our University. I have greatly enjoyed my time as President, and working with such a dedicated team has been very rewarding.

Sincerely,

A handwritten signature in black ink, appearing to read 'Dwight Conroy', written in a cursive style.

# More than \$250,000 raised through Annual Fund Appeal

In 2022, BU alumni and friends generously supported the Annual Fund with gifts totalling \$251,892.

Each contribution made represents an investment in our students' passion for knowledge and their passion to succeed. Whether gifts were undesignated, allowing the University to use the funds strategically when and where they are needed most, or directed to a particular school, faculty, or scholarship, each makes a significant impact on our students and programs.

## Estate gift fuels discovery through scholarship in chemistry

**William (Bill) John Friesen was the youngest of four children when he and his family moved to Brandon following World War II. Bill completed his Bachelor of Science at Brandon College in 1958 which led to an exciting career with the Hudson Bay Mining Company in Flin Flon, Manitoba. Bill embraced northern life and became an avid outdoorsman. He particularly enjoyed camping, photography, and skiing, and was an avid traveller.**

He and his dear friend, Bernie Lynn, shared many trips together, travelling the globe and sailing his beloved boat, a GP14, built by Bill himself. Outside of work, Bill dedicated much of his time and energy to his community. He was actively involved with local clubs and programs including the Flin Flon Ski Club, where he was an honoured Lifetime Member, and the Precambrian Sailing Club. He kept in touch with fellow classmates from the

Bill Friesen '58

Class of '58 as a proud BU alumnus and was a loyal friend to those who knew him best.

Since Bill's passing in March of 2022, gifts from his estate have provided more than \$557,500 to some of his most treasured organizations. A few grateful recipients include Flin Flon Hapnot Collegiate, the local Salvation Army,

Doctors without Borders, and his alma mater, Brandon University.

The William John Friesen Memorial Scholarship in Science has been established with a remarkable contribution of \$240,000. The scholarship will be awarded to chemistry students based on their research potential, academic excellence, and leadership capacity.

# New scholarship to honour students who attended residential schools

Paper hearts at the former site of the Brandon Residential School honour the children who were forced to attend residential schools.

**The Southern Chiefs’ Organization (SCO) represents 34 Anishinaabe and Dakota Nations in what is now southern Manitoba, and more than 83,000 citizens. It is the mission of the Chiefs of the southern First Nations to protect, preserve, promote, and enhance First Nations peoples’ inherent rights, languages, customs, and traditions through the application and implementation of the spirit and intent of the Treaty-making process.**

Through an initial \$25,000 gift, SCO has established the Southern Chiefs’ Organization Every Child Matters Scholarship. This gift honours the children who attended residential schools and those who never made it home.

SCO recognizes that all First Nation people, families, and communities have been impacted by the residential schools. This scholarship is intended to support Survivors and their descendants, as well as descendants of the families of the children who died.

In 2022, Winnipeg-based Corpell’s Water unveiled a partnership with SCO, with a specially designed water bottle to acknowledge the tragic legacy

“Once a person receives an education, it can never be taken away.”

of residential schools in Canada. The bottles featured a distinctive orange label and powerful message to honour the children who attended the residential schools. A portion of the proceeds of each case sold were earmarked for the scholarship fund, resulting in an additional \$5,000 being added.

The scholarship will be awarded on the basis of academic merit to a status

citizen of one of the Southern Chiefs’ Organization member First Nations. That individual will be a full or part-time continuing student at Brandon University, who has completed at least 12 credit hours. The recipient will also have made contributions to their school community or their community at large. The endowed scholarship will initially provide about \$1,000 annually and that amount will grow as additional funds are added.

“As First Nation citizens, we have often been prevented from accessing the gift of formal education,” said SCO Grand Chief Jerry Daniels. “However, once a person receives an education, it can never be taken away. Every child matters—and this partnership between the Southern Chiefs’ Organization and Brandon University helps to share that message by creating increased opportunities for our post-secondary students. This is true and meaningful reconciliation in action.”

Southern Chiefs’ Organization Grand Chief Jerry Daniels

## A team tribute to the Brandon College Caps

**Angus (Gus) William Jukes was born and raised in Melville, Saskatchewan. He attended Brandon College where he earned his Bachelor of Science in 1951. Jukes was an active ambassador of the College, thoroughly involving himself in extracurricular activities, including athletics and student politics. He served as Senior Stick for his graduating class and was described by his peers as “a combination of physical prowess with sincerity and strength of character” in the Brandon College 1951 *Sickle* yearbook.**

The 1951 year was a pivotal one for the hockey program, and as Brandon College Caps Captain, Jukes was an integral part of the team. Managed by Professor C. Tyler, they joined the Intermediate Hockey League and competed throughout Canada and the United States, notably visiting Denver University, Colorado College and the University of North Dakota. Gus and fellow College Caps, Alf Francis and John MacLean, also played for the Brandon Wheat Kings in the Memorial Cup final versus the Montreal Royals in the 1948-49 season. Dr. Jukes fondly recalls memories with friend and teammate, Ernie Shaw and others, many of whom were also from the small towns and rural areas of southwestern Manitoba and southeastern Saskatchewan. Jukes continued his hockey career while completing his surgical training and

fellowship at the Royal College of Physicians and Surgeons of Canada. He and his friend, Dr. M.M. Fraser, provided Pediatric Surgery service to Saskatchewanians for over 45 years. Jukes was inducted into the Brandon University Dick and Verda McDonald Sports Wall of Fame in 1994.

Dr. Jukes and his first wife, the late Marion Ann Rust, both attended Brandon College. Marion was a music student

and her family home, the Rust residence, was notably only three blocks from the front door of Clark Hall. They married and had three daughters, Karen, Susan, and Carolyn. Today, Dr. Jukes and his beloved wife DeVona continue to live in Regina close to their family and many friends.

The Brandon College Caps Student Athletic Scholarship-Bursary was established with a generous gift of stock from Dr. Jukes, valued at \$28,000. The award intends to pay tribute to his teammates and provide student-athletes the opportunity to achieve academic and athletic success as Brandon University Bobcats.

The A.E. McKenzie Legacy Society is named in honour of Dr. Albert Edward McKenzie, the first person to leave a legacy gift to Brandon College. Given at the height of the Depression, his contribution saved the College from certain closure. Since then, many others have generously supported Brandon University through gifts in their will, gifts of life insurance, or through other methods of legacy giving. # Order of the Sheaf

For more than 120 years,  
Brandon University has received an  
enormous amount of financial and  
volunteer support from individuals  
and organizations.

**We thank you.**

The Order of the Sheaf is an honour society that recognizes those whose financial support has helped to ensure the advancement and quality of higher education at Brandon University.

This year we are pleased to report that 34 new members have been inducted into the Order of the Sheaf and 28 members have advanced to a higher philanthropic level. Membership in the Order of the Sheaf begins automatically when a donor reaches a cumulative gift level of \$1,000 or more. Recognition levels are based on a donor's total contributions to Brandon University.

Donors listed in ***boldface italics*** advanced to a new level of recognition in 2022; those listed in **boldface** indicate that the donor is new to the Order of the Sheaf. Every effort has been made to ensure that this report is accurate and complete.
