Annual Report 2002

BRANDON UNIVERSITY FOUNDATION

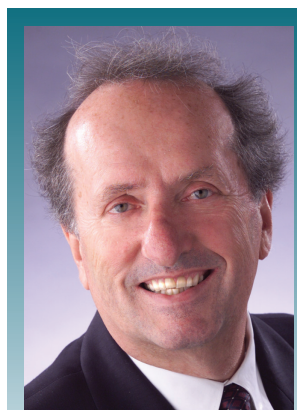

Message from the President of Brandon University

Much of the action plan for 2002–2003 that I described in the Brandon University Biennial has come to pass and we are beginning to see the outlines of the new BU. It includes many new academic programming pieces, new contracts for faculty and staff, and a new environment.

The University has a vision, a plan, as well as a strategy for raising dollars. We have had a very successful year with the Presidents' Circle and I think everyone would agree that we are poised and prepared for the next step which is a capital campaign. Feedback from the Brandon University family

indicates some important priorities for a campaign. One is updating our athletic and recreation facilities, which I call the Brandon University Wellness Centre. The University needs a wellness centre to attract and keep students, faculty and staff. Over 60% of our students are female and there is a great demand for recreation and fitness facilities on campus for this important constituency. Secondly, while many of our students are local and commute, there is still a significant number that need a gathering/study space on campus. This has been identified as a BUSU priority and we will be working

with BUSU to make this happen. Thirdly, although we are in the geographical centre of Canada, we lack an airport and thus are not on the itinerary for many scholars and visiting professors. Hence, there is a need to endow a Scholar in Residence program which would bring scholars and artists to Brandon University. This is an enrichment program which will expose students to the best minds from around the world. Finally, we need better infrastructure. This means additional funds for research facilities, equipment, communications and library resources. The time has come to focus on some capital needs that will make a difference to the lives of our students and faculty and I look forward to working with the Foundation, the Department of Institutional

Louis P. Visentin
President & Vice-Chancellor

Advancement and the Brandon community to make this institution the "Jewel of the Prairies." We have just begun. The plan is in place. Now the work begins and I hope you will be there for the University when we come calling.

Message from the President of the Foundation

Wow time does fly! It doesn't seem like two years since my term as President began. In mid-stream this past year we changed Chancellors, it was a sad day to see Kevin and Els Kavanagh leave, but it was an equally delightful day to see Ed and Lily Schreyer arrive. We had another great year, as donations of over \$1.2 million were received with gifts-in-kind of over \$124,000. The most impressive number is the amount that was distributed as scholarships, bursaries and payments for other programs, in excess of \$1.375 million. One of the great

successes of the year has been the Presidents' Circle both for the events and for the donations that were received.

In the past year we also completed our multi-year strategic plan, which should keep us going for the next number of years. This plan deals with Presidents' Circle, Planned Giving and Major gift campaigns for the future. It will be so nice to have a plan to work from, for the future of the Department and the Foundation. Now would be a good time to mention that our Director, Beth Proven left Brandon University to pursue

new endeavours in Winnipeg and Nadine DeVries also left for a new position in Winnipeg. We wish them both well, and thank them for their contributions.

I wish to extend my warmest appreciation to the volunteers on the Brandon University Foundation for their efforts over the past year. I would like to extend special congratulations to Pat Coleman, recipient of the 2003 Brandon University Foundation Apex Award, and Gord Peters, recipient of the Brandon University Outstanding Fundraiser Award for their dedication and service to Brandon University. I would like to thank everyone for the support that you have given me over the last two years and wish you all continued success and health.

John Macialek
President

Finally, I would like to thank all of our donors for their continued support.

MISSION STATEMENT

"The Brandon University Foundation was incorporated in 1980 with a mission to promote the advancement of higher education at Brandon University and to improve the quality of its facilities and activities".

Presidents' Circle

Connecting Brandon University to the Community

The Presidents' Circle "recognizes and involves Brandon University alumni and friends who demonstrate an outstanding commitment to our students and the institution through significant financial support." Contributions that are recognized as part of this prestigious membership circle will help ensure that Brandon University can continue to provide the solid educational foundation that our students and the community have come to expect as our standard.

This past year, the Presidents' Circle has been pleased to offer four exclusive events and two lunches that have enabled members and their guests to experience a variety of activities both on and off the Brandon University campus. These

events were designed to provide donors with the opportunity to sample the University environment in an educational and entertaining format. Past activities have included an outdoor picnic at an archaeology dig, a dessert bar reception at an astronomy evening, a mezzanine reception in the BU gymnasium for a Bobcats game, a private art show with our Visual Art students and a Christmas event at University House.

Membership in the Presidents' Circle begins with a charitable gift of \$1,000 or more in support of Brandon University programs and activities. Gifts are tax deductible and can be directed to the donor's area of choice on campus. Our students and institution benefit greatly from the support of Presidents' Circle donations, since gifts of this level can be used to set up an annual scholarship or bursary fund, significantly enhance the progress of student and faculty research and enhance our library acquisitions. Additional member benefits include a member's newsletter with inside information on Brandon University and a benefits card with discounts on campus activities.
