# BRANDON UNIVERSITY PRESIDENT'S Message

**Dr. Louis P. Visentin**  
President and Vice-Chancellor  
Brandon University

The next three years are going to be about enriching the human and physical infrastructure of Brandon University. In the last four years, we have improved programming, recruitment and the physical environment. We need to top off all of these efforts by improving the quality of the institution. To that end, we are launching our exciting capital campaign **BU & YOU... Growing, Enhancing and Succeeding!** Feedback from the Brandon University family indicates some important priorities for our campaign. One is to grow our campus infrastructure. The other two legs of the campaign involve enhancing our learning and teaching resources, and succeeding with research and endowments. The Foundation is indispensable in meeting these needs. I look forward to working with you on this \$8 million campaign. It is a target that I believe we can achieve and one that is easily within the reach of the capabilities of our supporters. I wish us all luck and I'll see you on the campaign trail.

## MISSION STATEMENT:

"The Brandon University Foundation was incorporated in 1980 with a mission to promote the advancement of higher education at Brandon University and to improve the quality of its facilities and activities."

# FOUNDATION PRESIDENT'S Message

**Dr. Barbara Bourassa**  
President, Brandon University Foundation

Thank you to all who contribute so generously of your time and financial support to Brandon University. Because of the generosity of our donors, we are able to enrich program offerings at Brandon University and expand scholarships and bursaries.

This year, donations to the Brandon University Foundation totaled \$933,455. I'd like to take this opportunity to thank past and present Board members for building a strong 'foundation' for Brandon University Foundation, thereby allowing for

our continued success.

Our Presidents' Circle continues to be one of the most successful fundraising events at Brandon University. Our donors deserve our heartfelt thanks and we hope to enjoy their company at future exciting events. These events have certainly showcased Brandon University, and have made our donors feel part of the University community.

We've certainly enjoyed our new Executive Director of the Department of Institutional Advancement, Marc Desrosiers. Marc has built a friendly, cohesive, cooperative team that works tirelessly and is second to none. Working tirelessly will definitely be the name of the game as we move into a major campaign this year, but we're all energized by the challenge.

We're pleased to honour two very special people this year. Congratulations to Dale Severyn, recipient of the Apex Award, and to Doug Adams, recipient of the Fundraiser of the Year Award. It is also our pleasure, along with Dr. Visentin and the Board of Governors, to honour George and Mary Gooden for their endless service to the University by naming the gallery in the ceremonial room of the Health Studies Complex, the "George and Mary Gooden Gallery of Art".

May you all enjoy a healthy, happy summer and possibly a well-deserved rest. In the words of Dr. Louis Visentin, "to be continued".

# PRESIDENTS' Circle

*"The Presidents' Circle recognizes and involves Brandon University alumni and friends who demonstrate an outstanding commitment to our students and the institution through significant financial support."*

The 2003 Presidents' Circle season continued our reputation for world-class performances and unique special events. Presidents' Circle members enjoyed a world premiere concert with renowned concert pianist and Brandon University faculty member Alexander Tselyakov, including a Russian inspired reception. With "A Taste of China", Presidents' Circle members and guests enjoyed a concert performance of traditional Chinese musical instruments by visiting Professor Jun-Rong Ban from Nanjing Xiaozhuang University and his International students from the School of Music. These concerts brought our members and guests closer to the culture and tradition of these countries, while emphasizing the superior quality of faculty and students that are unique to Brandon University. Additional events in 2003 included a "Renaissance and Renewal" address on the future direction of Brandon University by Dr. Louis P. Visentin, a "Bobcats Basketball Extravaganza" and a "Medieval Christmas Reception" at University House.

The 2003/2004 Presidents' Circle season also included an exciting field trip excursion to the Baker Hutterite Colony in MacGregor, Manitoba. This trip was in recognition of the Brandon University Hutterian Education Program. As one of the most progressive industrial colonies in the area, members had a once-in-a-lifetime opportunity to view the work of the colony, and enjoyed a traditional dinner and choir performance.

Donations towards the Presidents' Circle Scholar in Residence Program will enrich the student experience at Brandon University as well as provide an opportunity for the larger Brandon community to benefit from the exposure to great minds and great talents. Through this program, the University will have the opportunity to support the research and instruction of new scholars in residence and attract them to Brandon University in a variety of departments and activities, while enabling them to participate in upcoming Presidents' Circle activities. In 2003/2004, the Presidents' Circle raised over \$277,000 towards the creation of new endowments on campus and the enhancement of a wide variety of existing programs and faculties.

*The Presidents' Circle recognizes contributions of \$1,000 or more annually. In recognition of their valued support, members receive a regular newsletter, a Premium Benefits Card with discounts on campus activities and resources, and invitations to exclusive events.*
