# Brandon University Foundation Annual Report 2011

## Greetings from the President of Brandon University

Dear Members, Friends and Supporters of the Brandon University Foundation,

It is a pleasure to greet you once again with this year's annual report of the Brandon University Foundation.

It has been a busy spring. In the past few months, we have been travelling and meeting friends, donors and potential donors in Toronto, Ottawa, Montreal, Guelph, Calgary, Vancouver and Victoria. We have many more trips ahead of us as we move forward with our capital campaign. Recently, the Foundation Board spent a half day in a strategic retreat, reflecting on our governance and role as a foundation and preparing to move forward together in meeting the targets of our campaign.

The Healthy Living Center (HLC) is moving from dream to reality. Opening this fall, the HLC will be a great venue for our Bobcats and we look forward to seeing them in the new sportsplex. We are also looking forward to seeing you there as well. In fall, we will host an opening celebration and you are invited. As

well, we are currently fundraising for increased levels of scholarships, bursaries and infrastructure support for all students with a particular emphasis on the student success of our Aboriginal and First Nations BU population. So far, our efforts have been well-received and we look forward to sharing the results of our efforts with you in the coming months.

We are pleased to recognize Junaid Malik through the Brandon University Alumni Association Distinguished Service Award in the annual report. As well, we recognize the long-term and faithful leadership of Ernie Shaw who served the Foundation from its inception and stayed on the board for 30 years. That is extraordinary commitment and we are truly grateful.

Thus far this year, we have been laying the ground work for the BUILD Campaign. Now, watch us BUILD!

Best wishes,

**Deborah C. Poff, PhD**  
President and Vice-Chancellor

## Greetings from the President of Brandon University Foundation

As President of Brandon University Foundation, I would like to thank all of you who have continued to support Brandon University this past year.

While 2011 presented the University with a few challenges, including the "postponement" of our annual alumni Homecoming Event in October, there were many positive achievements for our institution that made the year a successful one. Our energetic and innovative President, Dr. Deborah Poff, has outlined some of the highlights in her annual report. I am confident that Brandon University is on a path of modernization and growth.

You will be aware that financial markets have been volatile in recent years, but BUF's investment managers have performed very well supervising our portfolio through the market turmoil, especially when compared to the results experienced in the portfolios of other foundations in Canada. Our foundation currently presides over a fund that exceeds \$40 million. Returns from those dollars are essential for the ongoing needs of Brandon University's students, research programs, and capital projects.

One of the most exciting developments on campus is the progress of the Healthy Living Centre. Construction

began last summer and the building is rapidly taking shape. The new facility is expected to be open this fall. Renovations to the existing structure will continue into 2013. When completed, the overall structure will be the pride of our community.

With the appointment of Vicki Klassen as our Associate Vice-President (External), a solid plan is being put in motion to complete a major capital campaign called BUILD. It encompasses three pillars which include the Healthy Living Centre, scholarships for students displaying high achievement capabilities, and a program targeting success for aboriginal students. It is an exciting bundle of goals that deserve your support.

The future of Brandon University lies in the strength of its people – friends and alumni, students and faculty, plus solid administration. Those elements are firmly in place at BU. My hope is that our Alumni and Friends will continue to extend their great generosity to ensure that this historic and meaningful educational institution remains vibrant and strong.

Sincerely,

**Edward Mazer '69**  
President, Brandon University Foundation

# Brandon University Healthy

the heart of a healthy community

The expanded and updated Brandon University Healthy Living Centre will be a hub for our students and community to build healthy lifestyles. As the home of the Brandon University Bobcats and innovative community wellness programs, the Healthy Living Centre will be a landmark for the University, the city and the region.

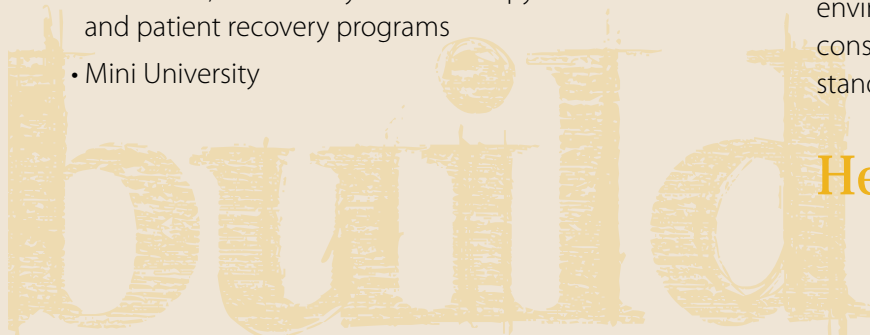

#### The Healthy Living Centre will be home to:

- The Bobcats men's and women's basketball and volleyball teams
- Regional basketball and volleyball tournaments
- Innovative, community-based therapy and patient recovery programs
- Mini University

#### The Healthy Living Centre will feature:

- 79,500 square feet dedicated to athletics and wellness – a 49,500 square foot expansion and renewal of the existing 30,000 square foot facility
- Three full-sized gymnasiums
- Four-lane jogging and walking track
- The Great-West Life Cardio Fitness Facility with up-to-date resistance and weight training equipment
- Regional hard court facility with 1,000 spectator seats

The Healthy Living Centre promotes healthy environments and healthy lifestyles, with construction meeting the LEED Silver standard for environmental sustainability.

Help us build Brandon U  
healthy living

# Living Centre

## Build with us

Construction and operation of the Healthy Living Centre will be driven by capital and endowment funds totaling \$24.3 million. Federal, provincial and municipal governments have pledged \$12.4 million and an additional \$6.3 million has been raised from private donors. With these commitments, construction has begun and the Healthy Living Centre will open its doors in 2012.

Your donation will contribute to the remaining \$7 million needed to complete the Healthy Living Centre and fund program expansions to support campus and community.

University and build  
ing for generations to come!

# Legacy Giving / Endowments

## What is a Legacy Gift?

A Legacy Gift, also known as a Planned Gift, is a charitable donation arranged during a donor's lifetime but generally not available to Brandon University until sometime in the future. Combined with estate and tax planning, Legacy Gifts can maintain the value of a donor's estate for loved ones while allowing the donor to make a gift without affecting their current lifestyle.

Gifts do not necessarily have to be deferred until the end of one's life to be considered a Legacy Gift. Some donors prefer to make an outright gift to immediately see the impact of their generosity. Any donation of substantial assets given during your lifetime, designed to meet your charitable goals and sometimes to maximize tax or estate planning objectives is also considered to be a Legacy Gift.

In addition to attractive tax incentives, many individuals and businesses want to leave their own legacy for which they will be remembered. Donors may give a designated gift to a particular area of interest or they may choose to give an undesignated gift to help the University with its most pressing needs. Others make a capital gift to help build new facilities or renovate existing structures. Still others create or support endowments for scholarships, research, equipment funds or the library. Methods of giving are as widely varied as the funding interests of our donors, and regardless of the size of the gift, they all have a positive impact on the continued success of the University.

### Some examples of Legacy Giving vehicles are:

**Bequests**  
*(a gift designated in a will)*

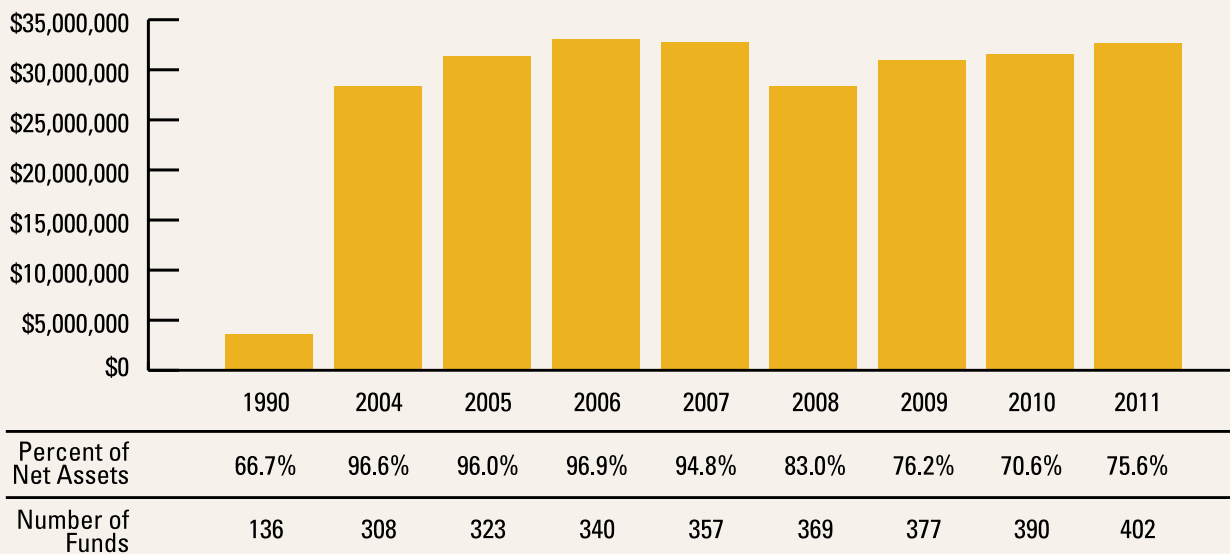

**Gifts in Kind**  
*(real estate, securities, art, etc)*

**Annuities**

**Life insurance**

**Charitable remainder trust  
or charitable residual trust**

## Endowment Funds

## The A. E. McKenzie Legacy Society

The A. E. McKenzie Legacy Society is named in honour of Albert Edward McKenzie, the first person to designate a legacy gift to Brandon University. Given at the height of the Depression in the 1930's, this gift saved the University from certain closure.

The A. E. McKenzie Legacy Society recognizes the leadership of farsighted individuals who have established a planned gift for Brandon University. We encourage those who have set up a planned gift to advise us of their intentions. By doing so, we are able to recognize them for their gift and also to extend our sincere appreciation to them. This also provides an opportunity to discuss with them how their gift will benefit the University. When requested, anonymity is kept in strictest confidence.

## Vale Contributes to Research Project with Aim to Help Northern Manitoba Youth Education

Left to right: Mr. Ryan Land, Vale MB; Dr. Karen Rempel, Project Investigator; Dr. Deborah Poff, BU President; Ms. Sheryl Moose, Research Assistant; Mr. Patrick Moose, Sheryl's father and Vale employee.

On January 16, 2012 in Thompson, Manitoba, the President and Vice-Chancellor of Brandon University, Dr. Deborah C. Poff met Ryan Land, Manager of Corporate Affairs, Vale Manitoba Operations to accept the company's donation of \$400,000 in support of the Vital Outcomes Indicators for Community Engagement for Children and Youth (VOICE) project. Brandon University is supported in this project through a \$1 million-dollar peer-reviewed research grant from the Government of Canada, through the Social Sciences and Humanities Research Council of Canada, Community-University Research Alliances Program (SSHRC CURA). The University College of the North will share in the award and actively participate in the research activities. The project will also include individuals from Frontier School Divisions, Kelsey School Division and the School District of Mystery Lake.

"This generous donation from Vale will help bring researchers and community-partners closer and make a positive impact in the lives of First Nations and Métis children and youth living in Northern Manitoba," said Dr. Poff. "We are very grateful for Vale's interest and financial commitment to this important collaborative venture in research and capacity-building."

The research activities will be aimed at helping First Nations and Métis children and youth achieve educational and career success. According to John Pollesel, Chief Operating Officer for Vale in Canada: "Vale is very proud to support the VOICE project and to stand alongside the project's many forward-looking sponsors. We believe that every Canadian student deserves a high-quality, inspired education so they can achieve personal and professional success, and Vale is honoured to be part of a project that will see this vision become a reality, especially for Canada's First Nations and Métis youth."

Vale is a global mining pioneer that discovers and transforms the minerals that are essential ingredients in the products people use every day. Vale is the world's second largest producer of nickel, with these operations based primarily in Canada. Canadian operations also produce copper, cobalt, platinum group metals, gold and silver. In Sudbury, Ontario and Thompson, Manitoba, Vale operates mine, mill, smelter and refinery operations; in Voisey's Bay, Newfoundland and Labrador Vale's assets include mine and mill operations. Vale employs about 6,000 people in Canada.

# Brandon University Foundation Presidents' Circle

The Brandon University Presidents' Circle brings together our most dedicated supporters who believe in the importance of fostering the future of Brandon University and our students and faculty. Over the past year, Presidents' Circle level gifts have been designated to scholarships and bursaries, athletic awards, technology and equipment, the Healthy Living Centre and many other areas on campus.

Our institution benefits greatly from the support of Presidents' Circle donations, and in appreciation of their valued support, members are invited to participate in exclusive events that feature exciting campus accomplishments and activities. These events are hosted by the President of Brandon University and the President of Brandon University Foundation.

Membership in the Presidents' Circle begins with a charitable gift of \$1,000 or more within one year (or as little as \$19.25 per week). Gifts are tax deductible and can be directed to the donor's area of choice. For more information or to become a member of the Presidents' Circle, contact Shawna English, Development Officer at (204) 727-9715 or englishsh@brandonu.ca.

Dr. Deborah Poff (centre) was in attendance to congratulate both.*

## Annual Fund

### Annual Fund 2011-12 raises over \$64,000

Brandon University's Annual Fund launched in December and through the mail and telephone appeal to alumni, we have raised \$64,075. These funds have been directed to numerous areas on campus including departments in all five faculties, the John E. Robbins

Library, athletics programs, and the Healthy Living Centre. In addition, many contributions were received through this campaign to increase scholarship and bursary offerings to students. Thank you to our annual donors for your support.

# Order of the Sheaf

For over 100 years Brandon University has received an enormous amount of financial and volunteer support from individuals and organizations. The Order of the Sheaf is an honour society that recognizes those whose financial support has helped to ensure the advancement and quality of higher education at Brandon University.

This year we are pleased to report that we have inducted 32 new members into the Order of the Sheaf and that 18 current members advanced to a higher philanthropic level. Donors reach recognition levels based on their total contributions to Brandon

University. Membership in the Order of the Sheaf begins automatically when a donor reaches a cumulative gift level of \$1,000 or more. Names listed in bold and italics advanced to a new level of recognition in 2011; those listed in bold indicate that the donor is new to the Order of the Sheaf.

Every effort has been made to ensure that this report is accurate and complete. Please report any errors or omissions to the Department of Institutional Advancement at (204) 727-9722, via email at [development@brandonu.ca](mailto:development@brandonu.ca), or toll free at 1-877-282-4483.
