Brandon University Foundation Annual Report 2012

Greetings from the President of Brandon University

Dear Members, Friends and Supporters of the Brandon University Foundation,

Our University has experienced tremendous activity in the past year and I am pleased to report the results of those efforts. Indeed, "results" is a key word in our review of 2012.

A comprehensive listing of many important accomplishments can be found in the just-published update to the University's five year strategic plan, BUILD 2010-2015, including increased enrollment thanks to a new recruitment strategy and enhanced on-campus supports for students, new courses and programming to increase the education experience including the Enbridge Dakota Language Scholarship, and a partnership with Assiniboine Community College enabling nursing students to transfer course credits to BU and complete their Registered Nursing degree. This update will be available in the Spring 2013 edition of *Alumni News*, on the BU website, and in print version at the Office of the President.

Since January, the \$24.3 million Healthy Living Centre has been available for membership use, class time and Bobcat games. We look forward to the grand opening of the facility in the near future. The original gymnasium was renamed in May in honour

of the late Henry Champ, Chancellor 2008–2012. We are also encouraged by ongoing discussions with the province government for new mature student family housing.

To further strengthen our community ties, we threw open the University doors for the 2nd annual "Winterlude". Hundreds of area residents explored the campus and classrooms, taking part in demonstrations and meeting faculty members and students.

The BUILD Fundraising Campaign enjoyed growing support, especially from the local community. Corporate engagement was strong and new initiatives to reach donors outside the province demonstrated that the University holds remarkable value for stakeholders who are not traditional benefactors.

We have had a great start on our fundraising campaign and look forward to sharing more good news in the future.

Best wishes,

Deborah C. Poff, PhD
President and Vice-Chancellor

Greetings from the President of Brandon University Foundation

Brandon University Foundation continues to address the areas of greatest need at our local University. We couldn't help without the generous support we receive from our alumni and friends and from the community. The current \$22 million BUILD Campaign raises funds for the construction of the Healthy Living Centre, to increase scholarships and bursary offerings for BU's students, and to enhance BU's Aboriginal Student recruitment and success.

BU is focusing on the future by putting its students first, by supporting them in their studies, by providing them with modern facilities and by increasing their access to student support. BU continues to grow its programs and services for students. Fundraising plays a key role in the achievement of this goal.

The Healthy Living Centre opened in 2012 and was built through the support of our donors. It serves both the Brandon and Westman communities and our BU students and staff. This facility is being enjoyed by members of all ages. Whether your visit

is to walk or jog around the indoor track, work out in the cardio fitness facility, attend your grandchild's high school volleyball tournament, cheer on the Bobcats, or seek treatment at the Sports Medicine Centre, I hope you will get to experience the new Healthy Living Centre very soon.

The success of our fundraising is due to the generosity of Brandon University's donors, alumni and volunteers.

I thank you for your past and ongoing commitment to BU and hope you'll consider a future gift to support our home-town University. Your contributions benefit not only our students but the community as a whole. Thank you for helping us to build Brandon University.

Sincerely,

Nathan Peto
President, Brandon University Foundation

Henry Champ Gymnasium

During a commemorative naming ceremony attended by family, friends and the public, the Henry Champ Gymnasium was officially dedicated on May 2nd.

Opened in 1965, the Henry Champ Gymnasium has been home to four Canadian university national championship teams. The 10,853 sq. ft. multi-use sports and recreation space has undergone a year-long refurbishing as part of the \$24.3-million Health Living Centre development. Among the upgrades are a refinished hardwood floor, all new paint including the classic Brandon University Bobcats logo on a feature wall, a refurbished stage and reconfigured mezzanine featuring configurable space for meetings or sports plus a new judge's booth overlooking the gym.

A true sports enthusiast, the late Henry Champ was BU Chancellor from 2008 to 2012.

"During his student days at Brandon University, Henry was a good athlete and passionate supporter," says BU President and Vice-Chancellor Dr. Deborah Poff. "He stayed connected to BU sports through his entire life and recruited top athletes to campus. Our University is a better place because of Henry Champ's dedication and commitment."

A native of Hartney, MB, Henry attended BU in 1957 and 1958. He would travel the world through the next five decades; one of the world's top foreign correspondents reporting from places including El Salvador, Nicaragua, Chile, the Middle East, Vietnam and Washington, DC.

Despite his globe-trotting career, Henry never forgot his Wheat City roots, serving BU in many capacities including as member of the Brandon University Foundation. In 2005 he was awarded an honorary doctor of laws degree for his service.

During Blue & Gold Days in January 2013, tour guides were overwhelmed with the response as several hundred people toured the new facility.

Healthy Living Centre at Brandon University

Jeff and Jodi Fawcett with sons Max and William.

Since January, Brandon University's Healthy Living Centre (HLC) has become a community hub for athletics, wellness and recreation activities.

The 80,000 sq. ft. facility features three gymnasiums, the region's only indoor walking/jogging track, and a state-of-the-art fitness room with computer-linked workout equipment.

Interest in the HLC has been keen and continues to grow. Hundreds of residents toured the HLC during an open house in January 2013. To date, more than 1,000 University students have registered to use the many amenities and over 1,100 residents have purchased HLC memberships.

Community events at the HLC are engaging participants from all sectors. The Brandon Chamber of Commerce "After 5" mix-and-mingle drew a larger-than-average crowd of business professionals. A noon hour walk-a-thon with costumed teams raised more than \$5,000 for the HLC.

Individuals and corporations have been gracious financial supporters, demonstrating a strong commitment to the importance of the HLC in the community. Business owner and Brandon City Councilor Jeff Fawcett, along with wife Jodi and family, made a \$10,000 personal commitment to the HLC. Leech Printing contributed \$25,000. Drs. Trudy Corbett and Jeff Bales, partners in Smiles Specialty Centre, donated \$100,000. To these major donors, and everyone who contributes to the success of the HLC through giving or using the facility, we say thank you.

Good News Now

Bobcats Bring Back Bronze

The Brandon Bobcats men's volleyball team captured their first Canada West league title since the team's inception in 2005 en route to a CIS national championship bronze medal, capping a successful 2012-13 season.

Sophomore left-side Sam Tuivai was named to the CIS all-Canadian second team at the CIS championship, as well as being named a tournament all-star.

In just eight years of the program's existence, the team has climbed to be one of the top programs in the country, as the Bobcats are perennially ranked in the national top 10. This marks the third time in five years that the BU men's volleyball squad was a medal winner at the national level.

The Bobcats men's volleyball team pose with the Canada West championship trophy and banner after claiming the program's first league title.

BU's Winterlude Draws Hundreds

The University's 2nd Annual Winterlude was held on campus February 9, 2013. This day-long open house featured events, music, food and entertainment – all free. Demonstrations by the Science Faculty continued to be a major attraction, as professors vapourized gummy bears, made sand dance and turned music into flame.

The Student team again defeated the Faculty/Administration team in a well-played, down-to-the-final minute hockey game. The outdoor rink hosted not only the hard-fought hockey competition, but also a day of public skating for the community.

Scott Lamont, Vice-President Administration and Finance drops the puck as Dr. Morris Mott, Professor Emeritus faces off against Jonathan Filewich at the Winterlude.

President's Circle

Brandon University Foundation's President's Circle recognizes BU's most dedicated supporters based on their annual giving and thanks them for an exceptional commitment. Members enjoy special receptions and concerts, and behind-the-scenes events and lectures. With membership starting at \$1,000 per year for individuals, and \$5,000 a year for businesses and corporations, the generosity of President's Circle donors is helping to make significant enhancements to programs and services for BU students.

All gifts are tax deductible and can be directed to the donor's area of choice. For more information or to become a member of the President's Circle, contact Shawna English, Development Officer at (204) 727-9715, or englishsh@brandonu.ca.

Winnipeg alumni and President's Circle donors enjoy a special performance from Dr. Michael Kim, Dean of Brandon University School of Music at the Manitoba Club.

The A.E. McKenzie Legacy Society

Albert Edward McKenzie was the first person to leave a Legacy Gift to Brandon University. Given at the height of the Depression in the 1930's, this gift saved the University from certain closure. Since that time, many others have given generously through gifts in their will to Brandon University, and have helped to make our institution what it is today. The A. E. McKenzie Legacy Society recognizes the leadership of these generous donors who have established a Legacy Gift for Brandon University.

Legacy Gifts offer many advantages to both the donor and the University. They make a significant impact on future generations of students at BU, and allow the University to plan ahead with confidence. They can also offer significant tax advantages to donors and/or their estates.

We encourage those who have established a Legacy Gift to advise us of their intentions. When they do so, we are able to recognize them for their gift and extend our sincere appreciation to them. This also provides the opportunity to discuss donor's wishes and how their gift will benefit the University.

If you are interested in more information about Legacy Giving, or to let us know you have planned a gift to BU in your will, please contact us at 204-727-7374.

Order of the Sheaf

For over 100 years Brandon University has received an enormous amount of financial and volunteer support from individuals and organizations. The Order of the Sheaf is an honour society that recognizes those whose financial support has helped to ensure the advancement and quality of higher education at Brandon University.

This year we are pleased to report that we have inducted 29 new members into the Order of the Sheaf and that 16 current members advanced to a higher philanthropic level. Donors reach recognition levels based on their total contributions to Brandon University. Membership in the Order of the Sheaf begins automatically when a donor

reaches a cumulative gift level of \$1,000. Names listed in bold and italics advanced to a new level of recognition in 2012; those listed in bold indicate that the donor is new to the Order of the Sheaf. Donors with an asterisk (*) following their name have made an estate gift; those with a square (■) following their name have made both personal and estate gifts.

Every effort has been made to ensure that this list is accurate and complete. Please report any errors or omissions to the Department of Institutional Advancement at (204) 727-9722, via email at development@brandonu.ca, or toll free at 1-877-282-4483.
