
FACULTY OF HEALTH STUDIES

Subject:	Field Work Requirements	Date:	September 1995
Department:	Psychiatric Nursing/Nursing	Reviewed:	Oct 04/Nov 06/Mar 08/May 12/Feb 13
Program:	Bachelor of Science in Psychiatric Nursing/Bachelor of Nursing	Revised:	September 23, 2015

POLICY:

Students are advised that clinical experience in Brandon, Winnipeg and the surrounding area or in other locations is an essential part of the program. Students are responsible for all expenses incurred, for example: transportation, room and board.

Students are responsible for complying with the policies of any agency selected for clinical experience.

Students must have a current immunization record on file prior to participating in clinical practice experiences.

All students must sign a Pledge of Confidentiality prior to participation in clinical practice.
