Upcoming Opportunities

Now is the time to start thinking about the Health Studies Grant!

The Health Studies Research Grant is available to Primary Investigators who are tenured and tenure track faculty in Health Studies. The total amount of funding available annually is \$10,000. Individual grants will not exceed \$2,500. The funding year coincides with the fiscal year (April 1 to March 31).

Application deadline is May 1.

If all of the monies are not allocated, a second call will occur in October (deadline October 15).

For more information about the grant go to the Health Studies Research Unit on the Health Studies web page:
