		Approved at Faculty Council:	March 31, 2025
		Approved at Senate:	May 13, 2025

Out of Province (within a Canadian jurisdiction) Senior Practicum placement requests will be considered on an individual basis. The following process will be followed for students requesting an Out of Province Senior Practicum placement.

PROCESS:

- 1) The student must provide a letter to the Clinical Placement Coordinator outlining their rationale for requesting an Out of Province Senior Practicum request by June 1 of year preceding the Senior Practicum.
- 2) Student Request Letter will be reviewed by the Course Instructor for Senior Practicum/Clinical Education Coordinator, in consultation with the Clinical Placement Coordinator. The Department Chair will be consulted if necessary. Approval or denial will be granted in writing by the Course Instructor/Clinical Education Coordinator. Previous clinical performance will be taken into consideration.
- 3) If approved, Faculty Advisors in Senior Practicum will communicate with student/Preceptor through phone, Teams, email and/or other methods of communication.
