

Onboarding your Linux device using the BU Connect Portal

- Connect your Linux Device to any internet connection.
- Open a web browser and go to the URL buconnect.brandonu.ca. Read and Accept the Terms & Conditions, then click Start.

The screenshot shows a web browser window displaying the Brandon University Connect Portal. At the top left, there is a link for "Start Over" and at the top right, it says "Powered by Ruckus". The main content area features the Brandon University logo on the left and the text "BRANDON UNIVERSITY" in large blue letters on the right. Below the logo, the heading "Welcome to the Brandon University Network" is displayed. An information icon (i) is followed by the text: "Access to the Brandon University network is restricted to authorized users and requires acceptance of the Terms & Conditions below." Below this, it states: "Once authorized for access, your device will be configured with a unique certificate for secure network access." Further down, it says: "Please refer to the [Documentation](#) on the Brandon University website if you require assistance." A checkbox with a checkmark is selected, and the text "I agree to the [Terms & Conditions](#)" is highlighted with a red box. At the bottom right, a "Start >" button is also highlighted with a red box. At the very bottom of the page, there is a footer with "Assistance ID #AC02" on the left and "cloudpath.bu-ad.brandonu.ca (3761.5.0.804)" on the right.

- If you are Students, Staff, or Faculty, select the Students, Faculty, or Staff option.
- If you are an Authorized Guest of Brandon University Select Authorized Guests.
