

MEMORANDUM OF AGREEMENT
Professional Associate, Mathematics and Computer Science

B.11 Professional Associate, Mathematics and Computer Science

This position is responsible to the Dean of Science. The position may include duties as follows:

- a) Teach up to a maximum of nine (9) credit hours during the academic year. The teaching assignment will be limited to the fall term unless otherwise agreed by the Parties
- b) Whenever the teaching assignment is in excess of six (6) credit hours per academic year, there will be a commensurate reduction in other duties, as per Article 9.3.1 (c) of the CA
- c) Keep office hours to meet the learning needs of the students enrolled in the courses taught
- d) Assess the learning skills needs of the students enrolled in the courses taught
- e) Develop, implement, evaluate and revise methods to help the progress and mathematical growth of the students in the courses taught
- f) Engage in research activities related to professional development and educational programming
- g) Such other appropriate duties as may be assigned by the Dean and as recommended by the Department through consultation with the incumbent.
