Employees hired prior to the date of ratification of this collective agreement shall be placed into the BSWI classification. Their wage rate shall be red circled at their current rate of pay and step in their new classification until the new rate of pay of the BSWI classification exceeds their current rate of pay or if an advance in the steps of their new classification provides an increase over their red-circled wage rate. (2020)

Example: An employee hired as a BSW on January 1st, 2019 would now be at Step 3 which is \$24.96/hour of the Collective Agreement that had expired on March 31, 2020. Upon Ratification, this employee shall be moved into the BSW I classification at step 3, however their wage would be remain (red circled) at \$24.96/hour instead of being lowered to the new rate of the BSW I classification of \$24.57/hour. They will remain at their rate of pay at \$24.96/hour until either the annual salary increase or their step increment places them at a higher rate of pay. If they move to step 4 before an annual salary scale increase takes place they would then receive the step 4 rate of the new BSW I classification which is \$25.06/hour. They shall also receive the annual salary scale increase, when it is provided, on top of the \$25.06/hour rate.

For the purposes of the red-circling, the wage rates shall be the old BSW rates as indicated above for 2020 and 2021: \$24.00, \$24.48, \$24.96, \$25.46.
