RE: Funding for Senate Awards for Excellence in Research and Excellence in Teaching

WHEREAS recent revisions to the Senate Award for Excellence in Research provides recipients with a research grant in the amount of \$5,000 or a three-credit hour teaching release for one academic year and the Senate Award for Excellence in Teaching provides recipients with a \$5,000 award to be used as professional development and/or in teaching supports;

AND WHEREAS the intended use of the research grant funds is not inconsistent with Professional Development Funds for which there are unspent pools available;

AND WHEREAS the Collective Agreement stipulates that no Member may receive more than one thousand dollars (\$1,000) from these funds in any given year (H.1 (c));

The Parties agree that:

The funds for the research grants awarded annually by Senate for Excellence in Research and Excellence in Teaching will be drawn from the unspent PDA pools, on an equal or pro rata basis, as determined by Deans' Council; and

Members who receive these awards will be exempt from the one thousand dollar (\$1,000) maximum and shall receive the full value of the award in one academic year.
