BRANDON BRINGS YOU BACK

#BRANDONBRINGSYOUBACK

The slogan is catchy and undeniable.

Interpretations of what “brings you back” can differ for each and every one of us. Those of you who have spent time in Brandon allude to the city’s hospitality, grace and cultural diversity that is celebrated and championed by its community members.

It’s the uniqueness that Brandon provides—that sense of belonging—that has people returning to the city time and time again. We’re not just a blip on the radar in Manitoba; we’re the second largest city in the province full of patrons dedicated to the ever-evolving growth such as a burgeoning downtown core, a vibrant and fulfilling east end experience, and a variety of locally-owned shops and restaurants that provide a Brandon-only feel.

Plan your excursion to Brandon—a city on the rise.

LOCATION

Situated in the southwest corner of the province of Manitoba, the city is very close to the geographical centre of North America. Brandon is the second largest city in Manitoba with a population of approximately 49,000 and a trading area of 180,000 people. It is located 197 km (130 miles) west of Winnipeg, 365 km (225 miles) east of Regina and 100 km (60 miles) north of the United States border.

TIME ZONE

In Manitoba, daylight savings time begins at 2 a.m. local time on the second Sunday in March. On the first Sunday in November, daylight savings time ends at 2 a.m. local time. During daylight savings time, clocks are turned ahead one hour.

CLIMATE

The summer season ranges from May to September with daytime temperatures from 12°C (54°F) to 26°C (79°F). The months of November through February usually have considerable amounts of snow and temperatures below freezing. The area enjoys over 2,000 hours of sunshine per year.

CURRENCY

The currency used in Brandon is the Canadian dollar. It is recommended that visitors exchange their currency at a bank or foreign exchange outlet prior to their visit.

Brandon is known for its diversity—and among those different elements is its rich, agricultural heritage. The city hosts annual agricultural events such as **Manitoba Ag Days**, considered Canada's largest indoor farm show and **Manitoba Ag Ex**, which includes an all-breeds cattle show and **Manitoba Finals Rodeo!**

Provincial Exhibition of Manitoba – Dome Building

Keystone Centre Grounds
Built in 1913, Brandon's iconic Dome Building is a symbol of the city's rich agriculture history and a landmark for the Provincial Exhibition of Manitoba and their annual fairs and exhibitions. The building was designated a provincial heritage building in 1984 and a national historic site in 1999. Ten years later, restorations began to restore the Dome Building to its former glory. The building was officially re-opened on June 1, 2019 with the offices of the Provincial Exhibition moving in followed by a collection of other local business tenants.

Turtle Crossing Campground

RV PARKS + CAMPING

Bry-Mar RV Park and Campground

10 km east of Brandon off Hwy #1

Conveniently located along the Trans-Canada Highway, just 10 minutes outside of Brandon, Bry-Mar RV Park & Campground is an ideal location for your vacations or your overnight stop. Bry-Mar welcomes you, your family, your friends and your animals to enjoy the modern and clean facilities. The newly established RV Park & Campground offers over 57 full service sites, 7 hard top, 13 private secluded tent sites and over 138 acres to pitch a tent. Enjoy clean hot showers, modern washrooms, coin-operated laundromat facilities and free WiFi.

Reservations 204-573-7067

Grand Valley Provincial Park

8 km west of Brandon on Grand Valley Road

Located minutes from Brandon and just off the Trans-Canada Highway, Grand Valley is a nicely treed campground set in the beautiful Assiniboine River valley and is home to the historic Stott Site. The park is host to a look-out tower and interpretive trail which explains the rich First Nations history of the land. The campground has 22 electrical sites, 20 unserviced sites, and includes washroom facilities with showers. Water is available at different spots throughout the park.

Meadowlark Campground

100 Meadowlark Trailer Park

With 66 sites, including back-in and pull-through sites, Meadowlark Campground & RV Park is the largest campground within Brandon city limits. Both 30-amp and 50-amp service is available. The campground is conveniently located along the Trans-Canada Highway and features easy access. Big rigs are welcome! Meadowlark offers all the amenities you'd expect from a full-service campground, including upgraded free WiFi, free showers, laundry facilities, a convenience store, playground and dump station. A variety of dining options—both national chains and local eateries—are located nearby, and more are just minutes away in the city centre.

Reservations 204-728-7205

Turtle Crossing Campground

4100 Grand Valley Road west of 18th Street North

Turtle Crossing is situated on a sprawling 65-acre parcel of land bordered by the Assiniboine River to the south, Lake Percy to the north, and farm land to the east and west. Just far enough away from the Trans-Canada Highway to eliminate the traffic noise, and only a short drive from Brandon's city centre, they offer a rare combination of seclusion and convenience. The park features free WiFi, coin laundry, playground, basketball courts, 5km of hiking or bike trails and fire pits at every site. The Assiniboine River provides an opportunity for fishing, kayaking, swimming, and tubing or you can cool off and paddle around in our gigantic wading fountain. Kayaks, canoes, river tubes, and one-person inflatable boats are available for rent on site.

Firewood is available as well!

BRANDON EMERGENCY SUPPORT TEAM

A PARTNERSHIP FOR A SAFE COMMUNITY

**HELPING
COMMUNITIES
PREPARE**

Brandon's Emergency
Alerting Program uses a
siren system controlled by
the Brandon Police Service.

The system is designed
to provide early warning
of potentially dangerous
emergency events such as
tornadoes or chemical spills.
The sirens make two tones:

an alert tone (repeating
high/low) and an all-clear
tone (Westminster Chime).

These may be heard by
going to emerg.brandon.ca

**HEAR
THE SIREN?**

- 1 Go indoors.
- 2 Tune to a local
radio station and
wait for information.
- 3 Be ready to
take action.

SIREN TESTS

Sirens are tested on the
first Wednesday of the
month at 4:40 p.m.

2 Criddle/Vane Homestead Provincial Heritage Park

This 130-hectare area preserves the former homestead of two prominent Manitoba families. Known for their contributions in the fields of science, art, sport and culture, the Criddle and Vane families originally settled here in 1882. The park provides you with two hiking trails that take you past the former Criddle home site which was the first entomological field station in Western Canada, a cemetery, as well as the remains of the original landscape features such as the tennis court and golf course.

3 Oak Lake Provincial Park

Oak Lake is one of the larger lakes in the province and it offers exceptional fishing and water sports. Oak Island Resort offers a world class 18-hole golf course with a pro shop and restaurant (seasonal). The campground has a plethora of serviced lots, a grocery store, ice cream, cabin rentals, mini-golf and swimming pools. The

provincial park offers beach volleyball, baseball diamonds, basketball courts, horseshoe pits, fire pits, a children's playground, covered picnic shelters, washrooms and a sandy beach. Meanwhile, Cherry Point Park offers a one kilometre natural walking trail with benches facing the lake, so if you get tired, you can take a break or just sit and take in the beauty of the lake.

4 Rivers Provincial Park

Made up of 38 hectares of mixed grass prairie, this park is situated by Lake Wahtopanah. The lake, a reservoir created by damming the Little Saskatchewan River, was named after the native word "watopapinah" meaning "canoe people". The community of Rivers was named after Sir Charles Rivers Wilson, Chairman of the Grand Trunk Pacific Railway Board of Directors. The park is home to a popular beach and provides ample fishing for pike, walleye and perch.

5 Spruce Woods Provincial Park

This park offers a unique sand dune environment where

endangered wildlife species such as Western Hognose Snake and Northern Prairie Skinks can be found. Interpretive and hiking trails lead across rolling hills, mixed grass prairie, through white spruce and deciduous forest and to the eerie spring fed ponds of the Devil's Punchbowl. The park features camping facilities, unsupervised beach, horseback riding trails, interpretive programs and special events throughout the summer. For winter enthusiasts, the park has an extensive system of cross-country skiing, snowshoeing and snowmobile trails as well as an outdoor skating oval, rink and toboggan hill. Interpretive events are held throughout the winter as well.

6 Turtle Mountain Provincial Park

A large block of deciduous forest and more than 200 lakes and wetlands straddle the international boundary in Southwest Manitoba. This is in fact the first part of Manitoba to dry after the glaciers receded. Rising 245 metres above the prairie,

this rolling terrain is popular amongst avid mountain bike enthusiasts. Its abundant wildlife includes; white-tailed deer, moose, waterfowl, songbirds and its namesake Western Painted Turtles. The park offers a wealth of recreational activities from skiing, skating, tobogganing and snowmobiling in the winter, to hiking, cycling and canoeing in the summer.

7 William Lake Provincial Park

William Lake Provincial Park is located to the east of Turtle Mountain Provincial Park. A challenging yet rewarding hike up the Turtle's Back Trail provides you with a spectacular panoramic view of Southwest Manitoba. It passes through Turtle Mountain Community Pasture, which offers you a glimpse at where livestock roam and graze. The lake is well-liked by windsurfing enthusiasts because of its round shape, clear water and gas-motor restrictions. It is stocked with Brown Trout making it a favourite for anglers. There is also a swimming and beach area.
