**Schedule subject to change.*

Time	Workshop Schedule	Location
1:30pm – 2:00pm Choose between Session A or B	A) Connection Before Content: Knowing people on campus can help make your transition to university even smoother. Why not make connections before you even start? Break the ice and practice these skills throughout the day. Get to know your future peers and stay in touch over the summer!	212 Clark Hall
	B) Understanding Your Degree Path: Student Responsibilities: Students will be introduced to important resources and terminology for navigating your degree path. Students will be guided through the next steps in accessing advising, course selection and course registration supports. Please note: Students will not receive Academic Advising and holds to register for courses will not be lifted during Pre-Orientation.	Convergys Computer Lab in the John E. Robbins Library
2:00pm – 3:00pm	C) Campus Tours & Residence Tours: Get a general feel for the university campus and learn where the most essential services are housed on campus. For those interested in residence, check out your future home away from home! If you don't find your classroom today, Student Leaders are available at Orientation and through welcome week to give individual tours and show you your classrooms.	Tours start at John E. Robbins Library Entrance
3:00pm-3:30pm Choose between session D or E	D) Parents & Family: Preparing your child or family member to go to university can be an overwhelming task. Spend time with the Dean of Students and learn how you can best support your child or loved one through their first year of university.	Convergys Computer Lab in the John E. Robbins Library
	E) Student Life Real Talk: Discover what BU Student Life is all about by connecting with current Student Leaders. Learn practical tips for adjusting to life as a university student.	212 Clark Hall
3:30pm-4:00pm	F) Mature Learners: Get Ready! So you're not 18 and coming to BU directly from high school... what do you need to know as a "mature learner"? Connect with current Mature Learners and discuss strategies for balancing the demands of school and adult life. * "Mature Learners" are students who self-identify with one or more of the following terms: Transfer, Part-time, Non-sequential, Non-traditional, Parent, Career Change, Older than Average, etc.	212 Clark Hall
