4. After you have filled out all the required fields and you hit the “**Submit Registration**” button, the site will take you to a confirmation page. Here you should double check all your information to make sure that you have not made any errors. **Please note that you can only register one account per email.**

5. After you have confirmed your information, you will be taken to a page that informs you that **a confirmation email with your computer generated password has been sent to your email.** Once this email arrives (which should happen in a couple of minutes) you can activate your account and reset your password through the link that you are given in the email.

6. You will need to remember your username and password for future use.

Register Your Vehicle

1. Log on to <https://brandonu.ops-com.com/> using your username and password as created.
2. Click on the "Vehicles" link near the top or bottom of the page or in the index.

3. This will take you to the vehicle information page where you can confirm what vehicles are currently registered.

Purchase a Parking Permit

1. Log in to the system at <https://brandonu.ops-com.com/> using the Username and Password you had selected.
2. Before you can purchase a permit you must register your vehicle(s) See instructions for Adding a Vehicle.
3. Once your vehicle or vehicle(s) are registered click the parking button on the navigation bar near the top or on the index page.

4. You must "agree" to the terms and conditions.

**BRANDON
UNIVERSITY**

Parking Permits

A PAYMENT SELECTION MUST BE MADE USING THE PAYMENT TAB AT TIME OF PURCHASE TO HOLD YOUR PERMIT - Items left on your account without promise for payment will be released from your profile at midnight.

UNIVERSITY FACULTY/STAFF MEMBERS WILL HAVE THE OPTION TO SELECT PAYROLL DEDUCTION AS PAYMENT OPTION.

FOR ALL PERMIT PURCHASES: **PAYMENT FOR PERMITS MUST BE MADE WITHIN 10 CALENDAR DAYS WHEN PAYING BY CHEQUE, CASH, OR MONEY ORDER. ITEMS NOT PAID WITHIN THIS TIME PERIOD WILL BE RETURNED FOR RESALE. PAYMENT CAN BE MADE AT THE ANCILLARY SERVICES OFFICE IN MCMASTER HALL.**

For immediate account processing, credit card payment (Visa or MasterCard) is recommended for payment of parking permits. Permit purchasers must agree to follow and respect the University's Parking Regulations in order to maintain their parking privileges on campus. To view our Parking Regulations, please visit Parking Service's web site.

Parking Services Statement of Agreement I understand that is private property. In making application for this parking permit, I agree to assume all responsibilities for the vehicles registered herein, to adhere to our Parking Regulations, as amended from time to time and authorized by the Board of Governors, and to accept all the conditions contained therein.

I acknowledge having read these regulations, and further certify that I am in possession of a valid driver's license and that the vehicle registered for parking is properly licensed and insured. I understand that all parking privilege options and rates for service are approved annually by the Board of Governors and are subject to periodic increases. This provision applies equally to multi-year permits.

I understand that, on the approval of my permit application, I will be required to visit the Ancillary Services office in McMaster Hall where I will be provided with a display hang tag/barcode as a proof of purchase and granted access to the parking lot requested and/or available for the time period purchased.

I understand that this is done to facilitate my use of alternate vehicles, but that, at no time, am I authorized to park additional vehicles on campus without purchase of an additional permit or daily receipt. I understand that the hang tag and barcode together constitute my parking access, and I agree to correctly display my hang tag in the vehicle.

I understand that parking service options, lot locations, and space availability are subject to change as required by the University, and as facilitated by Ancillary Services.

I understand that parking service options, lot locations, and space availability are subject to change as required by the University, and as facilitated by Ancillary Services.

I understand that unauthorized or improperly parked vehicles will be ticketed and/or towed at the owners risk and expense. I understand that repeated misuse of parking facilities or this agreement will potentially result in issuance of fines, penalties, towing of vehicles, withdrawal of parking privileges. I understand that parking in lot corners, aisles, ends of aisles, or other signed "no parking" areas is not permitted. Information regarding lot capacities, lot loading times and best available space may be obtained from Parking Services.

I understand that forgery, fraud and possession of lost or stolen property are criminal offences. This is a very serious issue. Vehicles displaying altered permits, or permits reported lost or stolen, will be ticketed and towed on sight, and owners will be liable for all charges. I understand that the safe, courteous and prudent care and control of vehicles on campus is the responsibility of the driver, and that the University assumes no responsibility for damage or loss to vehicles or contents however caused while parked on campus property.

I understand that Ancillary Services is unit committed to offering parking facilities and services on a cost recovery basis to a level consistent or superior to the standards, convenience, and flexibility offered at similar post-secondary institutions. I further understand that like any other parking lot operator, Ancillary Services does over-sell permits for parking lots on campus - not all permit holders attend campus at the same time so spaces are "shared." **Permit holders are always guaranteed a space to park on campus, however, if parking lot allocations become FULL, Ancillary Services reserves the privilege to re-assign permit holders to alternate parking areas on campus.**

Ancillary Services is interested in any positive inquiry, input, and suggestions, and is pleased to assist in developing proactive solutions to parking and access challenges at all times - please contact us 204-727-7394/204-727-9761 or email parking@brandonu.ca

I Do Not Agree

I Agree

- Once you have "agreed" to the terms and conditions please read the section on that pertains to you (i.e., a residence student or non-residence student) and click "standard parking".

Parking Permits

ATTENTION ALL RESIDENT STUDENTS

You will not be able to purchase your permit until the Ancillary Office has confirmed and approved your profile in the system.

In order to be approved to purchase a permit as a resident student: you must now email parking@brandonu.ca to request that you be approved in this system. Please include in your email: Your student number and your designated Residence Hall and Room. We will respond to you with approvals and you will then be granted access to purchase a permit online in allocated Residence student parking

To all other Non Resident User Types:

Parking availability changes considerably during the academic year and permits are offered for sale in select lots on campus. Like any parking lot, there are fewer spaces in campus parking lots than needed over the course of an average day because not all parkers are there at the same time. Permit allocations are processed and maintained by the Ancillary Services Office. (Y)early, (S)emester, and (O)ther (8 month) are available for sale below.

Please select from one of the parking permit options on the side of the map. If no permit options are available, permits may be temporarily sold out. If this is the case, please select the option to add yourself to the Waiting List - you will be contacted by e-mail to advise when further permit selection/options become available.

Permit prices and parking rates are based on our fiscal-year schedule and GST will be added to all Non Resident User Types (May 1st to April 30th).

Students requiring parking during the summer months (May to August) must purchase a permit for that time period from Ancillary Services Office.

Register, or apply to a waiting list, for:

[Standard Parking Permit](#)

[Temporary Parking Permit](#)

- Once you have clicked "standard parking" please review the parking lot map and select the lot name and time choice (4 months, 8months or 12months) for which you wish to purchase a permit.
