Dear Sir:

RE: Letter of Support for Soybean Process Plant Attraction Initiative

This is to advise that Council at its meeting held February 21, 2017 considered correspondence and a verbal report with respect to the above and adopted the following resolution:

“WHEREAS there exists a Westman Opportunities Leadership Group (WOLG) to investigate economic opportunities in the Westman area;

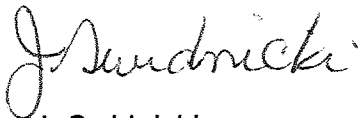

AND WHEREAS the WOLG has identified an opportunity to attract a world class soybean processing facility in the westman area;

AND WHEREAS some staff and council members attended an informational session on this opportunity and continue to receive updates, including a request for community level support;

NOW THEREFORE BE IT RESOLVED that a letter of support be sent from the Municipality of Oakland-Wawanesa encouraging this initiative.”

We wish you the best in your upcoming meetings and we look forward to receiving information on the outcomes.

Yours truly,
