

# PUBLIC TALK

## Keep Rural Japan Shining: Empower Citizens through University-Community Partnership in Esashi, Hokkaido

**September 25**

**@ 5:00 pm**

in the Gathering  
Space of the  
Library or  
Watch Online

Today Dr. Junichiro Koji, from the Hokkaido University of Education (HUE) in Japan, will be presenting a public lecture on the rural and local development efforts in Esashi, Hokkaido, Japan

This informal lecture will provide an outline of joint efforts between Esashi Town and the HUE to enhance empowerment and encourage sustainable development
