ARTS ONE

A New Approach to First Year at Brandon University

Coordinator: Dr. P. Harms

Arts One is a Faculty of Arts program designed for the first-year student who wishes to explore a unique cluster of courses dealing with similar themes and issues, while allowing the student to complete the Liberal Education requirement in the Humanities and Social Sciences in first year. Students will register in one of the clusters listed below in the same way that one registers for an individual course. By picking a cluster, the student is automatically registered in an entire pre-set package of scheduled courses. The student can then register for other courses to complete their schedule as desired. Course 99.175 Fundamentals of Inquiry is strongly recommended for first-year students.

Each cluster is limited. **The deadline to register is Friday, August 10th.** If a student drops one of the courses before August 10th they will no longer be part of that cluster and all other courses in the cluster will automatically be dropped from their registration.
