

Final Exam Timetable

Commencement hours of examinations are as follows (unless otherwise indicated):

MORNING: 9:00 a.m.

AFTERNOON: 2:00 p.m.

EVENING: 7:00 p.m.

1. Take Home examinations are not subject to the above times, but the answer paper must be handed into the instructor on the date scheduled by the instructor.
2. Students may not carry into the examination area any notes, unauthorized texts or any other extraneous material. All cell phones and electronic devices must be turned off. Devices may not be kept out or be easily accessible during examinations. Any students caught using an electronic device may have their exam papers confiscated.
3. Any mathematical tables, texts or other authorized material/equipment taken into an examination area must not contain any written notes, formulae or other extraneous material.
4. Students found disobeying any examination regulations will be required to cease writing and to withdraw from the examination area immediately.
5. Students arriving late may not enter an examination area after the first half-hour.
6. DEFERRED EXAMINATIONS – the University makes provisions for students who are forced to miss examinations for acceptable causes such as illness, compassionate reasons, etc. If you are unable to sit for any exam for any valid reason, you MUST notify the instructor as soon as possible and in no case later than seven (7) days after the date of the exam. Your notification MUST be accompanied or followed shortly by a medical certificate or an otherwise appropriate document substantiating the cause of your absence. In order to write a deferred exam, it is the student's responsibility to make arrangements with the instructor concerned. A student shall be given a maximum fixed period of up to three (3) months from the last date of examinations in order to clear a deferred examination.
7. INCOMPLETES – an incomplete is granted only on the approval of the instructor, Department Chair and the Dean of the Faculty/School. It should be noted that an incomplete is granted only for the deferment of term work and NOT for the deferment of the final examination.
8. Students who do not write a final examination or are not granted a deferred examination will be given a grade of F (NP) – No Paper.
9. If there are any questions concerning this exam timetable, contact Financial & Registration Services in person (second floor, Clark Hall), by email to finreg@brandonu.ca or phone 204-727-9735.
