

Final Examination Schedule

1. Examinations begin at the following times (unless otherwise indicated):

MORNING: 9:00 a.m.

AFTERNOON: 2:00 p.m.

EVENING: 7:00 p.m.

Take Home examinations are not subject to the above times, but the answer papers are to be handed into the instructor on the date that appears in this examination schedule.

2. Students arriving late may not enter an examination area after the first 30 minutes.
3. Students must present their Brandon University ID card upon entrance to the examination and keep it face up on the examination desk/table for the duration of the exam. Students who fail to produce the appropriate identification may be denied entry to the examination.
4. Only students who are formally registered in the course for which the examination is being held and who appear on its class list are eligible to write the examination.
5. Only those items that have been specifically authorized by the course instructor may be brought to the examination desk/table and accessed during the examination.
6. All personal items must be stowed in the area of the room designated for such purpose by the instructor/invigilator.
 - a. All hats/headwear, with the exception of that worn as religious observance, as well as all outerwear (coats, gloves, scarves, etc.) must be stowed with the student's personal items.
 - b. All electronics (such as calculators, cell phones, smart watches, laptops, Bluetooth-enabled devices, etc.), unless explicitly authorized for use by the course instructor, must be turned off completely and stowed with the student's personal items.
7. Students may bring a clear water bottle into the examination room and keep it at their desk/table for the duration of the examination. Food is not permitted in the examination room except for documented medical reasons.
8. Students suspected of violating the University's *Policy on Academic Dishonesty & Misconduct* may be required to stop the examination and leave the examination room immediately.
9. Deferred Examinations – a student who is unable to attend a final examination as a result of medical, compassionate, or other circumstances beyond their control that make it impossible to write the final examination as scheduled without undue hardship may request a deferred examination. No later than 48 hours after the start of the exam, the student must contact the instructor to request a deferred examination. A deferred examination must be written within three months from the last day of the examination period in which the original examination was held. In the case of irregularly scheduled courses, a deferred examination must be written within three months from the last day of class in the course.
