Calendar Description:

Calendar Placement:

**C. LIBRARY CONSULTATION**

Before a new course proposal can be forwarded to the Curriculum & Academic Planning (CAP) Committee or the Senate Graduate Studies Committee (GSC) for consideration, formal consultation with the University Library is required, and a Library Impact Statement must be submitted to the appropriate Dean's Office.

The Library Collection Analysis Request form is available online at <https://brandonu.libwizard.com/f/LibraryAnalysisRequest>.

A Library Collection Analysis Request has been submitted to the Library for review.

A Library Impact Statement has been returned by the Library and is available in the Dean's Office.

This is a variable content course (such as a Topics/Tutorials or Readings course) where the content covered will differ significantly from one offering to another; accordingly, a Library Collection Analysis is not required.
